

AirPure Elite 7000 Product Documentation

Introduction

The AirPure Elite 7000 is a state-of-the-art air purifier engineered to provide superior indoor air quality. Designed with modern households in mind, this appliance ensures a clean and healthy living environment by removing 99.97% of airborne particles, including irritants and pollutants.

Specifications

- **Room Coverage:** Up to 700 square feet
- **Filtration System:** True HEPA filter coupled with an activated carbon filter
- **Noise Level:** 25-55 dB, with night mode for ultra-quiet operation
- **Dimensions:** 24" x 14" x 8"
- **Weight:** 18 pounds
- **Smart Compatibility:** Alexa, Google Home
- **Power:** 110-240V, 50-60Hz

Setup Guide

1. **Unboxing:** Carefully remove the AirPure Elite 7000 and all its components from the packaging.
2. **Filter Installation:** Open the back panel, remove the packing material from the filters, and secure them.
3. **Placement:** Position the unit in the center of the room for optimal air distribution.

4. **Power On:** Plug the device into a power outlet and press the power button located on the top panel.
5. **Smart Connection:** Download the AirPure app, follow the prompts to connect to your Wi-Fi, and pair with Alexa or Google Home.

Usage Instructions

- **Mode Selection:** Use the touch panel or app to choose from Auto, Manual, or Sleep mode.
- **Air Quality Sensor:** Monitors air quality in real time, automatically adjusting settings for optimal performance.
- **Timer Function:** Set operation time in 1-hour increments up to 12 hours.

Maintenance and Care

- **Filter Replacement:** Replace the HEPA filter every 6 months; the activated carbon filter every 12 months or as needed.
- **Cleaning:** Wipe down the exterior weekly with a damp cloth; vacuum the air intake grille monthly.
- **Error Indicators:** The unit will alert you with indicator lights if maintenance is needed.

Integration Guides

- **Alexa Setup:** Open the Alexa app, navigate to Devices, and add the AirPure Elite 7000. Voice examples include, "Alexa, turn on AirPure."
- **Google Home Setup:** Add through Devices in the Google Home app, and use commands like "Hey Google, adjust AirPure to sleep mode."

Safety Warnings and Compliance

- **Child Lock Feature:** Activate the child lock from the control panel or mobile app to prevent accidental operation.
- **Compliance:** Certified with UL and CARB standards for electrical and air quality safety.

Troubleshooting

- **Device Won't Turn On:** Check power connection, try a different outlet, hold the power button for 10 seconds to reset.
- **Weak Airflow:** Inspect and clean the filter; check the intake and outflow for obstruction.

Warranty and Customer Support

- **Warranty:** 2-year manufacturer warranty covering defects and malfunctions.
- **Contact:** For support, reach out at support@brownbox.com or call 1-800-667-2345. Available 7 days a week.

Thank you for choosing the AirPure Elite 7000. Your health and comfort are our top priorities. Enjoy the purity of quality air.
