

Arctic Thermal Pro Jacket User Guide

Product Overview

The Arctic Thermal Pro Jacket is expertly designed to provide unmatched warmth and comfort in the harshest winter conditions. Engineered with cutting-edge insulation technology, this jacket is ideal for outdoor enthusiasts and urban commuters alike.

- **Material Composition:** 70% recycled polyester, 20% wool, 10% elastane.
- **Insulation:** Equipped with ThermoShield insulation for superior heat retention.
- **Design:** Features a water-resistant outer shell, adjustable hood, and reinforced zippers.

Technical Specifications

- **Sizes Available:** XS, S, M, L, XL, XXL
- **Weight:** 1.2 kg
- **Color Options:** Midnight Black, Arctic Blue, Forest Green.
- **Temperature Rating:** Effective up to -30°C

Using Your Jacket

Adjusting the Fit

- **Hood:** Use the drawstring toggles to adjust the hood snugly around your head.
- **Cuffs:** Velcro cuffs can be tightened to prevent cold air infiltration.

Pockets and Storage

- **External Pockets:** Two large hand-warmer pockets and one chest pocket.

- **Internal Pockets:** Two media pockets with cable pass-through slots.

Care and Maintenance

Washing Instructions

- Machine wash on a gentle cycle with cold water.
- Use mild detergent; do not use fabric softeners or bleach.

Drying Instructions

- Lay flat to dry away from direct sunlight.
- Do not tumble dry, as high heat can damage insulation.

Common Troubleshooting

Sizing Issues

- Refer to our online size guide for the perfect fit.
- Contact customer service at support@arcticwear.com for exchange options.

Zipper Malfunctions

- Lubricate stuck zippers with graphite pencil or zipper-specific lubricant.
- For broken zippers, please contact our warranty department.

Warranty and Repairs

- The Arctic Thermal Pro Jacket comes with a one-year warranty covering manufacturing defects.

Customer Testimonials

- “The Arctic Thermal Pro Jacket is a lifesaver in sub-zero temps! Keeps me warm and cozy during my winter hikes.” – A satisfied customer
