

Introduction

BeatStream Plus is an advanced music streaming service that brings millions of tracks and podcasts to your fingertips. Whether you want to discover new music, create personalized playlists, or enjoy curated recommendations, BeatStream Plus offers an unparalleled listening experience on any device.

Account Setup

Creating an Account

1. Visit the BeatStream Plus website or download the app from your device's app store.
2. Select 'Sign Up' and choose to register with your email, Facebook, or Google account.
3. Provide the required information and create a secure password.
4. Accept the terms and conditions and click 'Create Account'.
5. Verify your email address through the link sent to your inbox.

Subscription Management

- **Individual Plan:** Enjoy streaming for one user at \$9.99/month.
- **Family Plan:** Share the experience with up to 6 family members at \$19.99/month.

Upgrading or Downgrading Plans

1. Log into your BeatStream Plus account.
2. Go to 'Settings' > 'Subscription Plan'.
3. Select your desired plan and confirm the change. Any refunds or additional charges will be processed automatically.

Using the Service

Streaming Music

1. Open the BeatStream Plus app.
2. Use the 'Search' bar to find your favorite songs or explore the 'Discover' tab for new tunes.
3. Tap the play button to start streaming instantly.

Creating Playlists

1. Go to 'Your Library' and tap 'Create Playlist'.
2. Add a name and description, then search for songs to add.
3. Save your playlist to access it anytime.

Offline Listening

1. Select a playlist or album and toggle 'Download' to save it offline.
2. Access downloaded content from 'Your Library' without an internet connection.

Managing Your Account

Login and Password Recovery

- **Forgot Password:** Click 'Forgot Password' on the login page, enter your registered email, and follow the instructions sent to reset your password.
- **Locked Account:** If your account is locked due to unusual activity, contact support to initiate recovery through email verification.

Account Settings

1. Log into your account.
2. Visit 'Settings' to update personal information, payment methods, and email preferences.

Troubleshooting

Common Issues

- **Billing Discrepancies:** Check your plan status under 'Subscription Plan' and adjust as needed. Contact support for unexpected charges.
- **Access Denied:** Verify login credentials and reset the password if necessary. For unauthorized activity, secure your email account and contact support.
- **Sync Problems:** Ensure your app is updated. Reinstall if syncing fails.

FAQs

- **How to cancel a subscription?** Visit 'Settings' > 'Subscription Plan' > 'Cancel Subscription' and confirm.
- **How to activate parental controls?** Enable in 'Settings' > 'Family Settings'. Choose restrictions based on age appropriateness.
