Care Instructions

To maintain the quality and longevity of your BreezeFlex™

Performance Shirt: - Wash in cold water with like colors. - Avoid using bleach or strong detergents. - Tumble dry low or hang to dry. - Iron on low heat if necessary.

Common Troubleshooting

- **Shrinkage:** If the shirt shrinks slightly after first wash, gently stretching the fabric while damp can help restore the fit.
- **Color Fading:** To prevent fading, wash inside out and avoid prolonged sun exposure during drying.
- **Sizing Issues:** Ensure to reference the size chart. If still unsure, reach out to customer support for guidance.
