1. Introduction

Welcome to your new BreezeMax AP3000 Air Purifier. Designed for efficiency and convenience, this purifier cleans the air in your home with a state-of-the-art filtration system and advanced smart technology. Please read this manual thoroughly to familiarize yourself with the product's functions and features.

2. Features and Specifications

- **HEPA Filtration:** Captures 99.97% of particles as small as 0.3 microns.
- **Smart Sensor:** Monitors air quality and adjusts operation automatically.
- **Alexa Compatibility:** Control with voice commands.
- **Quiet Mode:** Reduced noise operation for nighttime use.
- **Coverage Area:** Effective for rooms up to 700 sq. ft.
- **Filter Change Indicator:** Alerts you when it's time to replace the filter.

3. Safety Information

- Ensure the device is unplugged before cleaning or maintenance.
- Operate only with approved filters.
- Avoid placing objects on top of the unit.

4. Setup and Installation

1. **Placement:** Position the air purifier in a central location, away from walls, to allow air circulation.
2. **Connecting to Power:** Use the included power cable and ensure a secure connection.
3. **App Connectivity:**
4. Download the BreezeMax App from your app store.
5. Follow in-app instructions to connect using Wi-Fi.
6. If connectivity issues occur, reset the device by holding the reset button for 10 seconds.

5. Usage and Operation

- **Basic Controls:** Use the control panel to select modes such as Auto, Quiet, or Max.
- **Scheduling:** Set operation times via the app for energy efficiency.
- **Filter Reset:** After replacing the filter, press the filter reset button.

6. Maintenance

- **Filter Replacement:** Recommended every 6 months. Follow the filter compartment instructions for safe replacement.
- **Cleaning:** Use a dry cloth to clean exterior surfaces monthly.
- **Sensor Maintenance:** Carefully clean the sensor with a soft brush every three months.

7. Troubleshooting

- **Unit Will Not Turn On:** Check power connection and outlet function. Perform a reset by pressing the reset button.

- **Connectivity Issues:** Ensure Wi-Fi is functional and reset the unit.

8. Integration with Smart Home Systems

- **Alexa Setup:** Enable the BreezeMax skill in the Alexa app and follow instructions to link your device.
- **Voice Commands:** Manage power, change modes, and receive air quality updates.

9. Customer Support and Warranty

- **Support Contact:** For assistance, reach out via our support hotline or support@breezemax.com.
- **Warranty Coverage:** Includes a 2-year warranty covering material defects and workmanship. Register your product on our website within 30 days of purchase.

For any further questions, refer to the FAQs in the BreezeMax App or contact our customer support team. Enjoy fresh and clean air with your BreezeMax AP3000!
