

BrewMaster Elite 3000 Coffee Maker

Product Overview

The BrewMaster Elite 3000 is a state-of-the-art coffee maker designed for coffee enthusiasts seeking perfection in every brew. Equipped with a built-in grinder and programmable settings, it offers a seamless blend of convenience and functionality.

Features and Specifications

- **Built-in Grinder:** Freshly grind your beans to achieve the perfect cup every time.
- **Programmable Settings:** Schedule your brew up to 24 hours in advance with customizable strength options.
- **12-cup Capacity:** Ideal for family gatherings or solo sipping.
- **Thermal Carafe:** Keep your brew hot without affecting flavor.
- **LCD Display:** Easy-to-navigate interface with touch controls.
- **Dimensions:** 14" H x 9" W x 11" D, supporting compact kitchen spaces.
- **Weight:** 7 lbs.

Initial Setup

1. **Unbox Your Coffee Maker:** Ensure all components, including the carafe, filter basket, and user manual, are present.
2. **Power Connection:** Plug the coffee maker into a grounded outlet.
3. **Water Reservoir:** Fill the reservoir with fresh, cold water up to the maximum fill line.
4. **Bean Hopper Loading:** Add coffee beans to the grinder compartment.
5. **Rinse Cycle:** Run a rinse cycle without coffee to prime the system.

Brewing Instructions

1. **Select Brew Strength:** Use the strength selector to choose your desired coffee strength.
2. **Program Brew:** Set your brewing time using the 'Program' button.
3. **Start Brewing:** Press 'Brew' to start the process immediately or 'Delay Brew' for scheduled brewing.

Troubleshooting

- **Device Won't Turn On:** Ensure it's plugged into a functional outlet. Try resetting by unplugging for 10 seconds.
- **Grinding Issues:** Check for bean blockages in the grinder. Clear any debris before retrying.
- **Brewing Delays:** Ensure water reservoir is filled and all components are correctly aligned.

Maintenance and Cleaning

- **Regular Cleaning:** Wash removable parts with warm soapy water. Wipe down exterior with a damp cloth.
- **Descaling:** Conduct a descaling process every 3 months using a vinegar solution.
- **Self-Cleaning Cycle:** Use the self-clean cycle option for thorough internal cleaning.

Safety Information

- **Avoid Contact with Hot Surfaces:** Always handle with care when the device is in operation.
- **Electrical Safety:** Do not immerse in water or operate with a damaged cord.
- **Children:** Keep out of reach of young children.

Warranty and Support

The BrewMaster Elite 3000 comes with a two-year limited warranty. It covers manufacturing defects but excludes wear from normal use. For

warranty claims, contact customer support at support@brewmaster.com.

Frequently Asked Questions (FAQs)

- **Can it make espresso?:** This model focuses on drip coffee, but allows for a strong brew.
- **Dishwasher Safe?:** Removable parts are dishwasher-safe, though hand-washing is recommended to maintain longevity.
- **Back in Stock Notifications:** Available through our website's product page.
