

BrewMaster Pro 3500 - User Manual

1. Product Overview

The BrewMaster Pro 3500 is a premium coffee maker designed for both casual coffee lovers and dedicated aficionados. With advanced features such as programmable brewing, an integrated bean grinder, and an automatic cleaning function, this coffee maker offers a superior experience.

- **Power:** 1200W
- **Capacity:** 12 cups
- **Material:** Stainless Steel
- **Dimensions:** 15 x 10 x 12 inches
- **Weight:** 8 pounds

2. Getting Started

Unpacking Your Coffee Maker

1. Remove all packaging materials.
2. Ensure all parts are included: coffee maker, glass carafe, reusable filter, charcoal filter, and manual.
3. Inspect the coffee maker for any visible damage.

Setting Up Your Coffee Maker

1. **Install the Charcoal Filter:**
2. Remove the filter holder from the water reservoir.
3. Insert the charcoal filter into the holder.
4. Reinsert the holder into the slot.
5. **First Clean:**
6. Fill the reservoir with water.
7. Run a complete brewing cycle without coffee grounds to clean.

3. Using the Coffee Maker

Brewing Coffee

1. Fill the carafe with water to the desired level and pour into the reservoir.
2. Add coffee grounds to the reusable filter or use the grinder for whole beans.
3. Select your brew strength using the control panel.
4. Press 'Brew' to start the process.
5. The coffee will be ready to enjoy shortly.

Programming

- Access the menu by pressing 'Program'.
- Set the clock and adjust the brew start time as preferred.

4. Maintenance and Troubleshooting

Regular Maintenance

- Clean removable parts regularly with warm, soapy water.
- Descale monthly using a water/vinegar mixture.

Troubleshooting

- **If the coffee maker doesn't brew:** Check the water level and ensure the machine is plugged in.
- **If water leaks:** Inspect the reservoir and carafe for proper positioning.

5. Frequently Asked Questions

- **What is the warranty period?** One-year manufacturer warranty is included.
- **Can I return the product if defective?** Yes, contact support to initiate a return.
- **How do I access the digital user manual?** Visit our website's support section.

6. Customer Support and Returns

For customer support, visit our website or call our hotline. Have your product details and purchase receipt ready. Returns must follow the guidelines outlined in the policy, which can also be found online.

7. Warranty and Legal Information

The BrewMaster Pro 3500 comes with a one-year limited warranty. The warranty covers defects in materials and workmanship under normal household use. For full warranty terms, see the legal section of our website.
