

# BrownBox EliteErgo Pro Office Chair Documentation

## Introduction

Welcome to the BrownBox EliteErgo Pro Office Chair documentation. Designed to enhance your work-from-home experience, the EliteErgo Pro offers unparalleled comfort, support, and style for professionals who demand the best in office seating.

Whether you're working from home or the office, our chair promises to deliver superior comfort with innovative ergonomic designs meant to support you throughout long working hours.

## Features

- **Ergonomic Design:** Contoured backrest with lumbar support to align with your spine's natural curve.
- **Adjustable Armrests:** Soft, cushioned armrests that can be adjusted vertically and laterally.
- **Memory Foam Seating:** High-density foam that relieves pressure on your hips and thighs.
- **Tilt Function:** Customize recline settings for personalized relaxation.
- **Breathable Mesh Material:** Keeps you cool even during long hours of sitting.
- **360-Degree Swivel:** Get complete freedom of movement for multitasking.

## Assembly Instructions

1. **Unpacking:** Carefully open the packaging. Ensure all components are present using the checklist included.
2. **Base Assembly:** Insert the wheels into the base and attach the gas lift.
3. **Seat Installation:** Place the seat onto the gas lift. Ensure it's secure by pressing down firmly.

4. **Attach Armrests:** Use the supplied screws to attach the armrests. A hex key is provided for tightening.
5. **Backrest Attachment:** Slide the backrest into the seat's rear brackets. Secure it using the provided bolts.
6. **Final Checks:** Ensure all parts are secure. Test the tilt and swivel functions for smooth operation.

## Usage Guidelines

- To adjust the **height**, locate the lever beneath the seat and raise or lower according to preference.
- Adjust the **lumbar support** by moving the backrest vertically.
- Utilize the **tilt function** by pulling the adjustment knob and leaning back.

## Maintenance Tips

- **Cleaning:** Use a mild soap solution and a soft cloth for the mesh and plastic parts.
- **Checks:** Regularly inspect screws and bolts to ensure they remain tight.
- **Lubrication:** Apply a silicon-based lubricant to moving parts every six months.

## Warranty Information

BrownBox offers a 3-year warranty covering manufacturing defects. Please retain your purchase receipt for warranty claims.

## Troubleshooting

- **Missing Parts:** Contact customer support with your order number for expedited shipping of missing components.
- **Delivery Delays:** Verify tracking information. Contact support if updates are not received within 48 hours.

## **Customer Support**
