

BrownBox ProWave Smartwatch User Guide

Product Overview

Welcome to the BrownBox ProWave Smartwatch, a cutting-edge device that seamlessly integrates into your daily life with features designed for efficiency, wellness, and connectivity. From monitoring your daily activities to keeping you connected with notifications, the ProWave Smartwatch enhances your life's convenience.

Key Features:

- **Bluetooth Connectivity**
 - **Heart Rate Monitoring**
 - **Sleep Tracking**
 - **GPS Navigation**
 - **Water Resistance up to 50 meters**
-

Setup and Installation

1. Charging the Device

2. Connect the magnetic charging cable to the back of the smartwatch.
3. Plug the USB end into a power source. Charge until the battery indicator reads 100%.

4. Pairing with Your Smartphone

5. Download the BrownBox Connect app from App Store (iOS) or Google Play Store (Android).
6. Ensure Bluetooth is enabled on your smartwatch and phone.
7. Open the app and select 'Pair New Device'. Follow on-screen instructions to complete.

8. Initial Setup

9. Once paired, customize your profile with height, weight, and step goal.
 10. Sync contacts and notifications settings as desired.
-

Features and Functions

- **Bluetooth Connectivity**

- Maintain a range of 10 meters for optimal connection.

- **Heart Rate and Sleep Monitoring**

- Access through the 'Health' app. View daily, weekly, and monthly stats.
- Sleep monitoring offers insights into REM, deep, and light sleep cycles.

- **Notifications**

- Receive messages, calls, emails, and social media alerts synced from your smartphone.
- Customize which apps trigger notifications via the BrownBox Connect app.

- **GPS Navigation**

- Use built-in GPS for tracking runs and navigation without the need for your phone.

- **Water Resistance**

- Safe for swimming and showering. Not recommended for diving.
-

User Interface Guide

- **Main Menu Navigation**

- Swipe left for notifications, swipe right for health data.
- Press and hold the main button to access settings.

- **Customization**

- Change watch faces via 'Settings' > 'Watch Face'.
-

Maintenance and Care

- **Cleaning**

- Wipe the screen with a soft microfiber cloth. Avoid using abrasive materials.

- **Charging and Battery Care**

- Do not overcharge. Unplug once fully charged to maintain battery health.
-

Troubleshooting

- **Bluetooth Connection Issue**

- Try restarting both the smartwatch and your phone. Re-pair using app steps.

- **App Crashing**

- Uninstall and reinstall the BrownBox Connect app.

- **Battery Draining Quickly**

- Disable unnecessary notifications and dim display brightness.
-

FAQ Section

1. **What is the battery life?**

2. Up to 48 hours with regular use.

3. **Can I use the smartwatch without a phone?**

4. Basic features like time and step tracking work standalone, but advanced features require a phone connection.

5. Is it compatible with my phone?

6. Compatible with iOS 11+ and Android 6.0+.
