

ChefMaster Elite Non-Stick Set

Introduction

Welcome to cooking made easy with the ChefMaster Elite Non-Stick Set. This premium cookware collection is designed for both beginners and seasoned chefs, offering superior non-stick performance and durability. Its stylish and ergonomic design provides an unmatched cooking experience.

Features and Benefits

- **High-Performance Non-Stick Coating:** Ensures easy food release and cleaning while using less oil.
- **Ergonomic Handle Design:** Cool-touch handles engineered for comfort.
- **Durability:** Constructed from heavy-gauge aluminum for even heat distribution and long-lasting performance.
- **PFOA-Free:** Safe for you and the environment.

Product Specifications

- Set includes: 8-inch fry pan, 10-inch fry pan, 1.5-quart saucepan with lid, 2.5-quart saucepan with lid, 5-quart Dutch oven with lid, and a steamer insert.
- Compatible with all stove types, including induction.
- Oven safe up to 350°F.

Using Your ChefMaster Elite Set

1. **First Use:** Wash each item in warm, soapy water and dry thoroughly.
2. **Cooking:** Use medium heat settings. Avoid using metal utensils to maintain the non-stick surface.
3. **After Cooking:** Allow cookware to cool before washing to prevent warping.

Cleaning and Maintenance

- Hand wash for best results. Dishwasher use may shorten the lifespan of non-stick coating.
- Avoid harsh abrasives and cleaners.
- For stubborn residue, soak in warm, soapy water and use a soft sponge.

Troubleshooting

- **Food sticking:** Ensure proper oiling and avoid high heat. Contact support if issues persist.
- **Discoloration:** Use gentle cleaners and hand-wash.
- **Warping:** Follow cooling and washing instructions carefully.
