Setup and Installation

Pairing with Your Smartphone

1. Ensure Bluetooth is enabled on your smartphone.
2. Download the ChronoConnect app from your app store.
3. Open the app and follow the on-screen instructions to pair with your Z3.

Initial Setup

1. Turn on the Z3 by pressing the side button.
2. Select your language and connect to Wi-Fi.
3. Follow the prompts to create or sign in to your ChronoTech account.

Features and Usage

Fitness Tracking

- **Heart Rate Monitoring:** Starts automatically; view history in the ChronoConnect app.
- **Step Counting and Calories:** Track daily activity goals directly on your watch.

Notifications

- Customize which apps send notifications to your Z3 via the ChronoConnect app.

Customization

- Change watch faces through ChronoConnect or directly on the watch.
- Use the strap release mechanism to swap bands.

Compatibility

Compatible with smartphones running iOS 13 and above, or Android 8.0 and above.

Troubleshooting Guide

Software Update Issues

- Ensure stable Wi-Fi connection.
- Restart watch and paired smartphone.
- Attempt manual update: Settings > General > Software Update.

App Crashes

- Clear app cache: Go to phone settings, find ChronoConnect, and clear cache.
- Reinstall the ChronoConnect app if crashes persist.

Syncing Problems

- Confirm Bluetooth is on for both devices.
- Unpair and re-pair your Z3 in the app.
- Restart both your watch and smartphone.

Maintenance and Care

- Clean the watch regularly with a soft, damp cloth.
- Avoid exposing the watch to extreme temperatures and harsh chemicals.

FAQ

- **How do I extend battery life?** Activate power-saving mode: Settings > Battery > Power Saving.
- **Can I wear it in the pool?** Yes, it's water-resistant up to 50 meters.
