

CineStream Product Documentation

Product Overview

CineStream is a premium streaming platform that offers a vast library of movies, TV shows, documentaries, and exclusive content. With a focus on high-quality streaming, CineStream is designed to deliver an exceptional viewing experience across multiple devices. Whether you're a film buff or enjoy casual viewing, CineStream has something for everyone with its diverse genres and user-friendly interface.

Account Management

To get started with CineStream, follow these steps:

1. **Creating an Account:**

2. Visit the CineStream website or open the app.
3. Click 'Sign Up' and enter your email address, password, and personal details.
4. Verify your email through the confirmation link sent to your inbox.

5. **Logging In:**

6. Enter your registered email and password on the login page.
7. If you forget your password, click 'Forgot Password' and follow the reset instructions sent to your email.

8. **Password Recovery:**

9. Ensure your email is correctly registered in your account settings.
10. Check spam or junk folders if the reset email isn't received.
11. Contact support if issues persist after multiple attempts.

User Profiles

CineStream allows you to create up to five user profiles per account:

- **Creating Profiles:**
 - Navigate to 'Manage Profiles' under account settings.
 - Select 'Add Profile', enter a name, choose an icon, and customize content preferences.
- **Managing Profiles:**
 - Edit or delete profiles as needed.
 - Set age restrictions to ensure appropriate content for each viewer.

Content Library

Explore a wide range of content with ease:

- **Browsing and Search:**
 - Use the homepage to explore trending movies, recommendations, and new releases.
 - Utilize the search bar to find specific titles or genres.
- **Personalization:**
 - Receive personalized recommendations based on viewing history and profile settings.

Viewing Options

Enjoy CineStream on a variety of devices:

- **Streaming Quality:**
 - Supports up to 4K UHD with HDR, depending on your subscription plan and internet speed.
 - Adjust resolution in playback settings for optimal performance.
- **Device Compatibility:**

- Compatible with smartphones, tablets, smart TVs, and web browsers.
- Use the app for iOS and Android for on-the-go streaming.
- **Offline Viewing:**
- Download content for offline viewing by selecting the download icon on available titles.

Billing and Subscription

Manage your plan effectively:

- **Subscription Plans:**
- Explore different tiers, including Standard, Premium, and Family plans.
- Monthly and annual billing options available.
- **Trial Periods and Promotions:**
- New users may be eligible for a free trial period.
- Visit promotions page for current offers.

Troubleshooting

Solve common issues with these steps:

- **Password Reset Troubles:**
- Verify the email address associated with the account.
- Resend the reset email if initially unsuccessful.
- Confirm that firewall settings aren't blocking emails from CineStream.
- **Contact Support:**
- Visit our Help Center or contact support via live chat for unresolved issues.

Parental Controls

Maintain control over your child's viewing experience:

- **Setting Controls:**
- Access parental controls via settings to restrict mature content.
- Set up PIN protection for certain profiles or content categories.

FAQ

- **How do I reset my password?**

Follow the 'Forgot Password' link on the login page and check your email for the reset instructions.

- **Where can I see my billing history?**

Visit the account section on the app or website and click 'Billing Details' to view your transaction history.

CineStream is committed to providing you with the best streaming experience. For further assistance or inquiries, please reach out to our customer support team.
