

Introduction

The CleanBreeze 5000 is a state-of-the-art air purifier designed for optimal indoor air quality. Suitable for medium to large rooms up to 600 square feet, it integrates seamlessly with modern smart home systems.

Key Features

- **HEPA Filtration:** Captures 99.97% of airborne particles as small as 0.3 microns, including dust, pollen, and mold.
- **Smart Home Compatible:** Works with Alexa and Google Home for voice command control. Manage settings through the CleanBreeze app.
- **Air Quality Sensors:** Continuously monitor air quality and automatically adjust fan speed to ensure the air is clean.
- **Child Lock:** Prevents unintended changes to settings, ensuring safe use around children.

Setup Instructions

1. Unpack the CleanBreeze 5000 and place it on a flat surface in the desired room.
2. Connect the power adapter to the purifier and plug it into a power outlet.
3. Download the CleanBreeze app from the Apple App Store or Google Play.
4. Follow the app instructions to connect your device to Wi-Fi.
5. Use app or voice commands to start the device and adjust settings.

Maintenance

- **Filter Replacement:** The HEPA filter should be replaced every 6-12 months, depending on air quality and usage.
- The purifier will alert you when a replacement is needed.

- **Cleaning Sensors:** Use a dry cloth to clean the sensors monthly to ensure accurate air quality readings.

Troubleshooting

- **Device Won't Turn On:** Ensure the device is plugged into a working outlet. Press the power button for 10 seconds to reset.
- **Wi-Fi Connection Issues:** Restart your router, then unplug the ClearBreeze and plug it back in after two minutes.
- **Low Air Quality Alerts Persist:** Check the filter and replace if necessary. Ensure vents are not blocked.

Warranty and Support

The CleanBreeze 5000 comes with a 2-year warranty covering manufacturing defects. For support, contact our customer service at support@cleanbreeze.com or call 1-800-555-0199.

Safety Information

- Use the child lock feature to secure settings.
- Do not block air vents during operation.
- For indoor use only. Do not expose the purifier to water.

Thank you for choosing CleanBreeze 5000. Breathe easier with cleaner air.
