

CommercePro User Guide

Introduction

Welcome to CommercePro, your comprehensive solution for building and managing an online store. This user guide will assist you with navigating the platform's features, including account management, product listings, and customer transactions.

Account Setup

Creating an Account

1. Visit the CommercePro homepage and click on 'Sign Up'.
2. Enter your email address, create a password, and provide any required personal information.
3. Read and accept the terms of service, then click 'Create Account'.
4. A verification email will be sent to your provided email address. Follow the link in the email to verify your account.

Managing Your Profile

- Log into your account and click the profile icon on the top right corner.
- Access 'Account Settings' to update your personal details, including name, address, and profile picture.

Password Management

Resetting Your Password

1. On the login page, click on 'Forgot Password?'
2. Enter your registered email address and click 'Submit'.

3. Check your email inbox or spam folder for the password reset link.
4. Click the link and follow the instructions to set a new password.

Updating Your Email Address

1. Log into your account and navigate to 'Account Settings'.
2. Click on 'Personal Information' and select 'Change Email'.
3. Enter your new email address and submit your request.
4. A confirmation email will be sent to the new address. Click on the confirmation link to complete the update.

Security Features

- **Two-Factor Authentication:** Enable this feature for added security under 'Account Settings'.
- **Secure Transactions:** All transactions are encrypted with industry standards.
- **Alert Notifications:** Receive instant alerts on account activities.

Customer Support

Our support team is ready to assist you 24/7. Reach out via: - Chat Support: Accessible via the help icon on our website. - Email: support@commercepro.com - Phone: 1-800-555-0199

Troubleshooting Common Issues

- **Not Receiving Emails:** Ensure emails aren't in your spam/junk folder. Verify the email address entered during the request.
- **Login Problems:** Reset your password if you forget it or contact support for persistent issues.

Glossary

- **Account Settings:** Options to manage user information, privacy settings, and notifications.
- **Personal Information:** Data that can be adjusted by the user, such as email and physical address.
