

EcoClean 4000 Vacuum Cleaner

Product Overview

The EcoClean 4000 is a state-of-the-art vacuum cleaner designed for efficient and eco-friendly cleaning across various surfaces. Equipped with Smart Cleaning Technology, it automatically adjusts suction power based on floor type, ensuring optimal performance and energy conservation.

Key Features

- **HEPA Filtration System:** Captures 99.97% of dust and allergens, ideal for allergy sufferers.
- **Multi-Surface Performance:** Seamlessly transitions between carpets, hardwood, and tiles.
- **Quiet Operation:** Operates at 60 decibels, making it one of the quietest in its class.
- **Cordless Convenience:** Powered by a long-lasting lithium-ion battery, offering up to 90 minutes of cleaning time.
- **Eco-Friendly Design:** Built using sustainable materials with energy-efficient technology.

What's in the Box?

- EcoClean 4000 Vacuum Cleaner
- Charging dock
- HEPA filter (pre-installed)
- Multipurpose cleaning attachments
- User manual

Setup Instructions

1. Assemble the vacuum cleaner by attaching the desired cleaning tool.
2. Place the vacuum on the charging dock to ensure it is fully charged before first use.

3. Select the cleaning mode based on surface type using the intuitive control panel.

Usage Instructions

- For optimal cleaning, move the vacuum slowly across the floor, allowing the Smart Cleaning Technology to adjust.
- Use the crevice tool for tight corners and the upholstery tool for furniture.

Maintenance Guidelines

- **Filter Cleaning:** Remove and rinse the HEPA filter every three months.
- **Battery Care:** Recharge after each use; avoid overcharging to prolong battery life.
- **Debris Management:** Regularly check and clear any blockages in the cleaning head or hose.

Troubleshooting

- **Vacuum Does Not Turn On:** Ensure the battery is charged and connected properly.
- **Weak Suction:** Check for blockages and ensure the filter is clean.
- **Unusual Noise:** Inspect brush rollers for obstructions or wear.

Warranty and Support

- **Warranty:** Two-year limited warranty covering parts and labor.
- **Customer Support:** Contact BrownBox support at support@brownbox.com or call 1-800-555-0199.

Frequently Asked Questions

1. **How often should I replace the HEPA filter?** It's recommended to replace the HEPA filter every 12 months, depending on usage.

2. **Can I use the EcoClean 4000 on delicate surfaces?** Yes, it's designed for versatility but always test on a small area first.
3. **Is there an option for extending the warranty?** Yes, an extended warranty can be purchased within 30 days of the original purchase.

Safety Information

- Keep the vacuum away from water and avoid picking up large, sharp objects.
- Do not use the appliance if it's damaged or the cord is frayed.
