

EcoFlex YogaPro Mat Documentation

Product Overview

The EcoFlex YogaPro Mat is designed for yoga enthusiasts who value both performance and sustainability. Made from eco-friendly, high-quality TPE (Thermoplastic Elastomers), it offers durability, comfort, and a non-slip surface, ideal for daily practice.

Key Features

- **Eco-Friendly Material:** Constructed with non-toxic, biodegradable TPE, making it safe for you and the planet.
- **High Durability:** Engineered for daily use, maintaining resilience and structure over time.
- **Optimal Thickness:** At 6mm, it provides exceptional joint support and shock absorption.
- **Non-Slip Surface:** Dual-layer design ensures maximum grip, preventing slips during practice.
- **Easy Maintenance:** Water-resistant material and easy-clean surface.

Getting Started

1. **Unrolling Your Mat:** Carefully unroll the mat on a flat surface with the textured side down.
2. **Initial Cleaning:** Use a damp cloth with mild soap to wipe both sides before first use.
3. **Usage:** Suitable for all types of yoga, pilates, and general exercise.

Maintenance Instructions

- **Regular Cleaning:** Wipe down with a mixture of water and mild detergent.
- **Deep Cleaning:** For heavy stains, use a soft brush with gentle soap.

- **Drying:** Air dry the mat completely before rolling it up to prevent mildew.
- **Storage:** Keep your mat rolled up in a cool, dry place and avoid prolonged exposure to direct sunlight.

Common Troubleshooting

- **If the mat becomes slippery:** Ensure it is completely clean and dry. Use a microfiber towel to enhance grip during intense sessions.
- **For visible wear and tear:** Regular use can lead to slight fabric peeling; this is normal and can be minimized with proper care.
- **Unpleasant odors:** Allow the mat to air out for 24 hours before using.

FAQs

- **How long will the mat last?** With proper care, the EcoFlex YogaPro Mat can last several years.
- **Is it safe for people with latex allergies?** Yes, the mat is latex-free and hypoallergenic.
- **Can I use this mat outside?** While it can be used outside, keep in mind that harsh weather conditions may affect its longevity.
