1. Introduction

Welcome to the EcoFresh 5000, a state-of-the-art washing machine designed to cater to all your laundry needs. With cutting-edge technology, it offers superior cleaning results with minimum environmental impact.

2. Features

- **Energy Efficiency:** Rated A+++, providing savings on electricity bills.
- **Quick Wash Program:** Complete a wash cycle in just 15 minutes for light loads.
- **Smart Connectivity:** Control remotely using our mobile app.
- **TurboDry Technology:** Ensures clothes are dry faster, reducing total laundry time.
- **Eco Mode:** Use less water and energy without compromising on wash quality.

3. Installation

3.1 Unpacking

Upon receipt of your EcoFresh 5000, carefully remove the packaging and ensure all components are present.

3.2 Setup

- Connect to a power supply using the included power cable.
- Attach the water inlet hose to your cold water supply. Ensure the connection is tight to prevent leaks.
- Attach the drain hose, ensuring it's neither kinked nor obstructed.

3.3 Safety Tips

- Ensure the machine is on a flat surface to prevent unwanted vibrations.
- Do not plug the machine into an extension cord.

4. Controls and Display

The EcoFresh 5000 features a user-friendly control panel with a digital display. - **Power Button**: Turns the machine on and off. - **Program Selector**: Choose from a variety of wash programs. - **Start/Pause Button**: Start or pause a cycle. - **Digital Display**: Shows time remaining and other status updates.

5. Operating Instructions

5.1 Loading the Machine

- Separate clothes by fabric type and color.
- Do not overload the drum.

5.2 Selecting a Program

- Turn the program selector knob to your desired wash cycle.

5.3 Adding Detergent

- Use the detergent drawer to add detergent and softener.

5.4 Starting the Wash

- Press the Start button to commence the cycle.

6. Wash Cycles Explained

- **Cottons:** For robust fabric.
- **Synthetics:** For delicate fabrics.
- **Delicate:** For gentle wash requirements.
- **Eco Mode:** Low energy and water usage.

7. Troubleshooting

7.1 Common Issues

- **E4 Error:** Indicates an unbalanced load. Re-balance the clothes.
- **No Power:** Check power connection and ensure the door is firmly closed.

7.2 FAQs

- **Why is my machine not starting?** Check the door lock and power supply.
- **Why is there a delay in cycle start?** Confirm delay start is not selected.

8. Maintenance Tips

- **Regular Cleaning:** Clean the detergent drawer monthly.
- **Filter Maintenance:** Clean the filter to ensure efficient operation.

9. Technical Specifications

- **Dimensions:** 600x600x850 mm
- **Capacity:** 8 kg

- **Spin Speed:** 1400 RPM

10. Warranty and Support

The EcoFresh 5000 comes with a 2-year warranty covering parts and labor for manufacturer defects. For technical support, contact us at support@mybrownbox.com or call 1-800-555-0199.
