Assembly Instructions

Tools Required:

- Phillips screwdriver
- Allen wrench (included)
- Hammer

Step-by-Step Assembly:

1. **Unpacking:** Carefully open the packaging. Ensure all parts are present using the included checklist.
2. **Leg Attachment:** Attach the legs using screws and the provided Allen wrench. Ensure legs are securely fastened.
3. **Extension Leaf Installation:** Slide out the pre-installed rails and position the provided extension leaf. Lock into place using the sliding pins.
4. **Tabletop Alignment:** Check that the tabletop is level and secure all bolts.

Estimated Assembly Time: 45 minutes

Usage and Maintenance

- To extend, unlock the rail latches, slide the table sections apart, and insert the extension leaf.
- Clean with a soft, damp cloth. Avoid abrasive cleaners.
- Weight Limit: 150 lbs uniformly distributed.

Troubleshooting

- **Extension Mechanism Jammed:** Ensure debris is not obstructing the rails. Lightly apply oil to ensure smooth operation.
- **Wobbling Table:** Re-tighten all screws and ensure the surface it stands on is flat.
- **Finish Scratches:** Use oak-safe polish for minor surface scratches.
