

FleetFlex 2.0 - Product Documentation

Product Overview

The FleetFlex 2.0 is the latest innovation in athletic footwear, designed to provide ultimate comfort and performance. These sneakers are perfect for runners, gym enthusiasts, and anyone with an active lifestyle. Sleek in design and robust in construction, the FleetFlex 2.0 combines functionality with style.

Features and Specifications

- **Design:** Low-top with a modern, streamlined silhouette.
- **Materials:** Ultra-light breathable mesh upper, reinforced toe cap, and synthetic overlays for added durability.
- **Sole Technology:** Dual-layer sole with advanced cushioning for shock absorption and energy return.
- **Lacing:** Dynamic lacing system for a secure and customized fit.
- **Sizes:** Available in sizes 5-15 US, including half sizes.
- **Colors:** Black, White, Blue, Neon Green.
- **Weight:** Approximately 9 oz per shoe, size 9.

Sizing Guide

To ensure the best fit, please refer to the size chart included with your purchase or consult our online sizing tool. Measure your foot length and width for accuracy.

Usage Instructions

1. **Initial Wear:** Wear your sneakers indoors for short periods to allow your feet to adjust.
2. **Activity Use:** Suitable for running, gym workouts, or casual wear.
3. **Adjust Laces:** Customize the lacing for optimal support.
4. **Breaking In:** Light jogging initially can help the materials conform to your foot shape.

Maintenance and Care Instructions

- **Cleaning:** Hand wash with mild soap and water. Air dry only.
- **Storage:** Store in a cool, dry place, away from direct sunlight.
- **Avoid:** Do not machine wash or dry, as this may damage the materials.
