

Flexi-Comfort Office Desk User Manual

Product Overview

The Flexi-Comfort Office Desk is designed for modern workspaces, providing a stylish blend of functionality and elegance. Suited for both home and professional offices, this desk features an adjustable height surface, allowing users to transition seamlessly between sitting and standing positions. Crafted from sustainably sourced bamboo, its natural finish complements any decor.

Specifications

- **Dimensions:**
 - Length: 60 inches
 - Width: 30 inches
 - Height: Adjustable from 28 to 48 inches
- **Material:** Eco-friendly bamboo with steel frame
- **Weight:** 85 pounds
- **Colors Available:** Natural, Espresso, Walnut

Assembly Instructions

Tools Required: Provided Allen wrench, Philips screwdriver

1. **Unpack Components:** Ensure all parts match the contents list in your package.
2. **Assemble Frame:** Connect the side panels to the central beam using screws A. Tighten using the Allen wrench.
3. **Attach Legs:** Secure legs to the frame with bolts B, ensuring alignment with pre-drilled holes.

4. **Install Desktop:** Place the desktop on the frame, making sure it aligns with the corner bolts, then fix using screws C.
5. **Adjust Height:** Use the manual lever to adjust the desk height to the desired level. Test all settings to ensure stability.

Care and Maintenance

- **Cleaning:** Wipe with a damp cloth; avoid harsh chemicals to maintain finish.
- **Maintaining Finish:** Apply a furniture wax every six months.
- **Screws and Fittings:** Check and tighten screws every few months to ensure stability.

Warranty and Support

The Flexi-Comfort Desk comes with a 5-year warranty covering manufacturing defects. To claim, contact our support line with proof of purchase.

Troubleshooting

- **Missing Parts:** Contact support with your order number to expedite shipping of missing components.
- **Height Adjustment Issues:** Ensure the lever mechanism is free of obstructions. Consult service if persisting.

FAQs

- **What is the weight capacity?** Up to 200 pounds.
- **Can I order replacement parts?** Yes, through our website or customer support.
- **Does it fit dual monitors?** Yes, with ample additional workspace.
