Features

Wireless Charging

Effortlessly charge your Galaxy Ultra X with any Qi-compatible charging pad. Simply place your phone on the charging pad to start charging.

Water and Dust Resistance

With an IP68 rating, your Galaxy Ultra X is resistant to dust and can withstand water immersion up to 1.5 meters for 30 minutes.

Performance

Powered by a robust octa-core processor and 12GB of RAM, the Ultra X handles multitasking with ease. Whether switching between apps or gaming, enjoy seamless performance.

Setup and Use

Initial Setup

1. Press and hold the power button to turn on your device.
2. Follow the on-screen instructions to select your language and connect to Wi-Fi.
3. Sign in with your Google account to sync your apps and settings.
4. Customize your settings, such as display preferences and notifications.

Optimizing Performance

- Close unused apps running in the background.
- Enable battery saver mode for extended usage.
- Use the 'Device Care' feature under settings to optimize system performance.

Troubleshooting

App Crashes

If an app keeps crashing, try the following steps: 1. Go to 'Settings' > 'Apps' > Select the app. 2. Tap 'Storage' > 'Clear Cache'. 3. If the issue persists, tap 'Clear Data'. 4. Restart your device.

Connectivity Issues

- Ensure Wi-Fi or mobile data is turned on.

- Restart your router or reset network settings if necessary.

FAQs

Q: Does the Galaxy Ultra X support dual SIM? A: Yes, the device supports dual SIM functionality.

Q: How do I take a screenshot? A: Simultaneously press and hold the power and volume down buttons.

Support and Warranty

For support, contact our 24/7 customer support hotline or visit the support section on our website. The Galaxy Ultra X comes with a one-year limited warranty covering manufacturing defects.

We hope you enjoy exploring the incredible capabilities of your Galaxy Ultra X!
