

Gourmet Pro Cookware Set

Product Overview

The Gourmet Pro Cookware Set is designed to meet the needs of both enthusiastic home cooks and seasoned professionals. Combining elegance with practicality, this set features high-quality materials and innovative technology to elevate your culinary experience.

Set Components

- **8-inch Fry Pan**
- **10-inch Fry Pan**
- **1.5-quart Saucepan with Lid**
- **3-quart Saucepan with Lid**
- **3.5-quart Sauté Pan with Lid**
- **8-quart Stockpot with Lid**

Key Features

- **Triple-Layer Non-Stick Coating:** Provides exceptional release, making cooking and cleanup a breeze.
- **Induction Compatible Base:** Suitable for all stovetops, including electric, gas, and induction.
- **Ergonomic Stainless Steel Handles:** Designed for comfort and stability.
- **Oven Safe:** Withstands temperatures up to 500°F, perfect for finishing dishes in the oven.

Materials and Construction

The set is constructed from premium-grade aluminum and stainless steel, ensuring even heat distribution and resistance to warping. The non-stick coating is free from PFOA and PTFE, guaranteeing safe cooking.

Usage Instructions

Initial Setup - Wash all components with warm soapy water and dry thoroughly. Lightly season the fry pans with vegetable oil before first use.

Cooking Guidelines - Maintain medium heat to preserve non-stick coating. - Use silicone or wooden utensils to avoid scratching. - Compatible with all types of stovetops.

Safety Precautions - Use oven mitts when handling hot cookware. - Do not leave empty cookware on a heated burner for extended periods.

Maintenance and Care

Cleaning - Dishwasher safe; however, hand washing is recommended to preserve the non-stick surface. - Use a nylon scrubbing pad for stubborn residues.

Storage - Stack carefully with protective liners to avoid scratching the coating. - Hang pots using provided handles for easy access and space saving.

Troubleshooting Common Issues

- **Uneven Heating:** Ensure correct burner size and check for flat bottom surfaces.
- **Food Sticking:** Re-season the cooking surface if necessary and verify correct heat settings.
- **Discoloration:** Use a polish specifically designed for stainless steel cookware.

Warranty and Support

Enjoy a 10-year limited warranty covering manufacturing defects. Register your product online to ensure prompt service. Contact support via email at support@gourmetpro.com or call 1-800-555-0199.

FAQs

- **Is the non-stick coating safe?** Yes, it is free from harmful chemicals like PFOA and PTFE.
- **Can these pans be used on induction cooktops?**
Absolutely, the base is designed for induction compatibility.
