- **In the Box:** HomeConnect Pro Device, Power Adapter, Quick Start Guide.
- **Technical Specifications:**
 - WiFi Connectivity: 802.11ac
 - Bluetooth Version: 5.0
 - Dimensions: 4.0 x 4.0 x 1.5 inches
 - Power Input: 5V/2A

Setup Instructions

1. **Unboxing and Placement:**
2. Carefully unpack the device and place it near a power source.
3. Ensure it's within range of the Wi-Fi network.
4. **Connecting to Power:**
5. Plug the power adapter into the nearest outlet.
6. Connect it to the HomeConnect Pro.
7. Wait for the LED indicator to blink, signaling readiness for setup.
8. **Wi-Fi Setup:**
9. Open the HomeConnect App on your smartphone.
10. Select 'Add Device' and choose HomeConnect Pro.

11. Follow on-screen instructions to connect to your home Wi-Fi network.

Usage Instructions

- **App Control:**
 - Use the HomeConnect App to control functionalities like lighting and temperature.
 - Access 'Settings' to customize notifications.
- **Scheduling Automations:**
 - Under the 'Automate' tab, create new triggers based on time or device states.

Firmware Updates

- **Checking for Updates:**
 - Within the app, navigate to 'Device Settings' and select 'Check for Updates'.
- **Updating Process:**
 - Ensure the device is powered and connected to Wi-Fi.
 - Follow prompts to download and install updates.

Troubleshooting Guide

- **Wi-Fi Connectivity Issues:**
 - Confirm your Wi-Fi details are correct.
 - Reboot your router and the HomeConnect Pro.
 - If issues persist, perform a factory reset by holding the reset button for 10 seconds.
- **Device Won't Power On:**
 - Check the power connection; try another outlet if necessary.
 - Replace the power adapter if issues continue.

Warranty and Customer Support

- HomeConnect Pro comes with a 1-year limited warranty. For support, visit our website or call the customer care number listed in the app.

FAQ Section

- **Can I use it outside the home network?** Yes, with remote access enabled within app settings.
- **Is it compatible with smart assistants?** Yes, HomeConnect Pro works with various smart assistants for voice control.

Thank you for choosing HomeConnect Pro. Designed for efficiency and convenience, bringing technology and home together.
