## Assembly Instructions

1. **Unpacking:**
2. Carefully remove the couch pieces from the packaging. Use scissors to open boxes, avoiding cutting the fabric.
3. **Locate Tools & Parts:**
4. Ensure you have all parts: 1 Frame, 3 Cushions, 4 Legs, and screws. Tools needed: Allen wrench (included).
5. **Attach Legs:**
6. Align each leg with pre-drilled holes and secure using the screws provided with the Allen wrench. Ensure they are tightly fastened.
7. **Place Cushions:**
8. Position the seat and back cushions securely on the frame.
9. **Final Checks:**
10. Ensure all components are firm and secure. Gently rock the couch to check stability.

## Care and Maintenance

- **Fabric Models:**

- Vacuum regularly using an upholstery attachment.
- Spot clean with a mild detergent and damp cloth.
- Avoid direct sunlight to prevent fading.

- **Leather Models:**

- Wipe with a damp cloth to remove dust.
- Use leather conditioner every 6 months to maintain suppleness.

## Troubleshooting

- **Assembly Issues:**

- Re-examine the instructions if the frame seems unsteady. Ensure screws are fully tightened.

- **Cushion Flattening:**

- Fluff cushions regularly to maintain shape and comfort.
