

LuminaTech PureGlow Smart Light - Comprehensive User Guide

Product Overview

The LuminaTech PureGlow is a versatile, energy-efficient smart lighting solution designed to enhance the ambiance of any room. With a full spectrum of color options and simple app-based control, PureGlow offers unparalleled convenience and adaptability.

Features

- **Full Spectrum Color Control:** Customize your lighting with over 16 million colors and various white tones to suit your mood.
- **App Integration:** Easily control your lights from anywhere using the LuminaHub App.
- **Voice Assistant Compatibility:** Works seamlessly with Alexa, Google Assistant, and Apple HomeKit.
- **Energy Efficient:** Save on energy with LED technology and smart scheduling.
- **Wi-Fi Connectivity:** Connects over 2.4 GHz networks for reliable performance.

Setup Instructions

Initial Setup

1. **Download the LuminaHub App:** Available on iOS and Android.
2. **Connect to Wi-Fi:** Ensure your mobile device is connected to a 2.4 GHz network.
3. **Install Your PureGlow:** Screw the light into your desired fixture.
4. **Power On:** Turn on the light switch.
5. **Open the App & Add Device:** Launch the LuminaHub App and select 'Add Device'. Follow the on-screen instructions.

6. **Pair the Light:** Select your Wi-Fi network and enter the password to connect.

Usage Instructions

Controlling Your Lights

- **Change Colors:** Adjust colors and brightness directly within the app.
- **Set Schedules:** Program your lights to turn on and off at customized times.
- **Group Control:** Manage multiple PureGlow lights simultaneously.

Troubleshooting

- **Connection Issues:**
 - Ensure your phone and light are on the same 2.4 GHz Wi-Fi network.
 - Reset the light by turning it on and off five times until it blinks.
 - Move your mobile device closer to the Wi-Fi router during setup.
- **App Crashes:**
 - Update the LuminaHub App to the latest version.
 - Uninstall and reinstall the app if issues persist.

Maintenance Tips

- Clean bulbs with a soft, dry cloth to maintain optimal illumination.
- Periodically check for software updates in the LuminaHub App to enjoy new features.
