

LuxeComfort Modular Sofa

Documentation

Product Overview

The LuxeComfort Modular Sofa offers versatile elegance accommodating both residential and commercial spaces. With a sleek design and options to customize, it fits a wide variety of stylistic preferences. Its modular design allows you to reconfigure sections, adapting seamlessly to your space needs.

Specifications

- **Dimensions:** Each module measures 36"W x 36"D x 34"H.
- **Overall dimensions:** 108"W (three modules), 36"D, and 34"H.
- **Material:** Upholstery in high-grade polyester; frame constructed from durable solid oak.
- **Color Options:** Available in Midnight Blue, Slate Grey, and Soft Beige.
- **Weight Capacity:** Each module supports up to 300 lbs.

Assembly Instructions

1. **Unpacking:** Carefully remove all packaging. Use scissors to avoid damage to the fabric.
2. **Tools Required:** Allen wrench (included), Phillips screwdriver.
3. **Assembly Steps:**
4. **Step 1:** Attach the backrest to the seat cushion frame using the provided screws. Align holes and tighten screws with the Allen wrench.
5. **Step 2:** Insert modular connectors to link sections. Use the click-and-lock mechanism as illustrated.
6. **Step 3:** Attach armrests on desired sides using bolts and tighten with a Phillips screwdriver.
7. **Assembly Diagram:** Refer to page 5 for detailed imagery.

Usage Instructions

- **Maintenance:** Regularly vacuum fabric using a soft brush attachment. For stains, use a damp cloth and mild fabric cleaner.
- **Avoid Sunlight:** Prolonged exposure to direct sunlight may fade fabric.
- **Reconfiguration:** To change the layout, simply detach the click-and-lock connectors and reposition.

Warranty Information

The LuxeComfort Sofa comes with a 5-year warranty covering frame defects and a 2-year warranty on upholstery against manufacturing defects. Claims require proof of purchase and should be directed to our customer service.

Troubleshooting Common Issues

- **Assembly Difficulty:** Ensure all parts are present by checking the inventory list on page 2. Watch our online tutorial video for visual assistance.
- **Cushion Sagging:** Fluff cushions regularly and rotate them periodically to maintain their shape.

Customer Support & FAQs

- **Contact Us:** Reach our customer service at 1-800-555-0199 or support@luxecomfort.com.
- **FAQs:**
- **Q: Can the fabric covers be removed for cleaning?** A: Yes, all fabric covers are removable and machine washable on a gentle cycle.
- **Q: How can I reorder a missing part?** A: Contact our support team with your order number for assistance.
