

MelodyStream Product Documentation

Product Overview

MelodyStream is a premier music streaming service designed for music enthusiasts who appreciate high-quality audio and a personalized listening experience. Our platform offers a seamless blend of music discovery and user-centric features, catering to an expansive audience with varied musical tastes.

Subscription Plans

MelodyStream provides several subscription options: - **Free Plan:** Limited to basic features with ads. - **Premium Plan:** Unlimited skips, no ads, offline listening. \$9.99/month. - **Family Plan:** Six accounts with personalized recommendations, \$14.99/month. - **Student Plan:** Premium benefits at a discounted rate of \$4.99/month, requires proof of enrollment.

Getting Started

1. **Account Creation:** Visit our website or download the app from your store. Click 'Sign Up'.
2. **Log In:** Use your email and password to access your account. Enable 2-step verification for added security.
3. **Explore:** Navigate using the Home, Search, Library, and Radio tabs.

Features

- **Playlists:** Create, edit, and share playlists with friends.
- **Offline Mode:** Download music on the go.
- **Sound Quality:** Choose from standard, high, or lossless.
- **Social Sharing:** Connect with friends to see what they are listening to.

Account Management

- **Updating Payment Details:** Go to 'Settings' > 'Payment'. Update your card or link to PayPal.
- **Change Email/Password:** Navigate to 'Account Settings'.
- **Understanding Billing:** View your billing cycle under 'Subscription' tab.

Troubleshooting

- **Payment Issues:** Check card details and ensure adequate funds. Restart the app and try again.
- **Login Problems:** Reset password using 'Forgot Password?' link.
- **Playback Errors:** Clear cache and ensure a stable internet connection. If offline, ensure downloads are complete.

FAQs

- **Does MelodyStream work offline?** Yes, with a Premium subscription.
- **How do I cancel my subscription?** Visit 'Account Settings' > 'Cancel Subscription'.
