

Product Overview

The **Modern Elegance Floor Lamp** is a sophisticated lighting solution that complements contemporary and classic home decor. Its sleek design, complete with a metallic frame and a linen lampshade, offers both style and functionality, making it an ideal addition to your living room, bedroom, or office space.

Specifications

- **Height:** 5 feet
- **Bulb Compatibility:** LED and incandescent
- **Dimming Feature:** Yes, compatible with dimmable bulbs
- **Material:** Metallic frame and linen lampshade
- **Color Options:** Available in Matte Black, Bright White, and Brushed Nickel

Installation Guide

1. **Unpack the Lamp:** Carefully remove the lamp components from the packaging, ensuring all parts are included as listed in the manual.
2. **Assemble the Base:** Attach the base to the lower pole using the provided screws and use the included Allen wrench to tighten securely.
3. **Align the Poles:** Connect the middle and upper poles, ensuring the internal wiring remains untangled.
4. **Attach the Lampshade:** Secure the lampshade to the top pole using the fixture collar.
5. **Insert Bulb:** Install a compatible LED or incandescent bulb into the socket.
6. **Plug and Test:** Plug the lamp into a power outlet and test the functionality, including dimming and on/off switches.

Usage Instructions

- **Powering On/Off:** Use the footswitch located on the cord to turn the lamp on and off.
- **Adjusting Brightness:** Rotate the dimmer switch on the lamp stem to adjust brightness levels as desired.
- **Replacing Bulb:** Ensure the lamp is unplugged before unscrewing the used bulb and replacing it with a new one.

Care & Maintenance

- **Cleaning:** Use a soft, damp cloth to wipe the lampshade and metallic parts. Avoid harsh chemicals.
- **Maintenance Check:** Periodically check for loose screws and tightening if necessary.

Troubleshooting

- **Lamp Won't Turn On:** Ensure the lamp is securely plugged in and the bulb is installed correctly.
- **Flickering Light:** Check the bulb compatibility and replace it if necessary.
- **Dimmer Not Working:** Make sure the bulb used is dimming-compatible.

FAQs

- **Q: Can I use a smart bulb with this lamp?** A: Yes, as long as it is compatible with the socket type and dimensions.
- **Q: Does the lamp come with a warranty?** A: Yes, the Modern Elegance Floor Lamp includes a one-year manufacturer's warranty.
