

Nordic Shield Parka - Comprehensive Product Guide

Overview

The Nordic Shield Parka is designed for extreme weather conditions, offering superior warmth and protection. Engineered for the adventurer in you, this jacket combines fashion with functionality, ensuring you remain comfortable in frigid temperatures.

Key Features

- **Material:** Made from high-quality, waterproof polyester with Teflon coating.
- **Insulation:** Filled with eco-friendly ThermaTech insulation that maintains warmth without bulk.
- **Design:** Elegant design with a detachable faux fur hood.
- **Storage:** Includes five zippered pockets, including inside security pockets for essentials.
- **Adjustability:** Features adjustable cuffs and drawstring waist for a tailored fit.

Sizing Guide

1. **Measurement:** Use a tape measure to find your chest and waist size.
2. **Refer to Chart:** Match measurements to our sizing chart to ensure the perfect fit.
3. **Try On:** If possible, try it on with layers like sweaters to guarantee comfort.

Care Instructions

- **Washing:** Machine wash cold on gentle cycle. Use mild detergent.
- **Drying:** Tumble dry low, remove promptly.
- **Storage:** Store in a cool, dry place, away from direct sunlight.

Troubleshooting & FAQs

- **Size Issues?** Contact customer service within 30 days for exchanges.
- **Leaking?** Ensure all zippers are fully closed; reproof if necessary.
- **Warranty Claims:** Covers manufacturing defects for 1 year.

Style Tips

Pair your Nordic Shield Parka with rugged boots and dark jeans for an adventurous look. Layer with neutral or earth tone sweaters for a timeless style.

Sustainability Commitment

Our parkas are crafted using recycled materials whenever possible, aligning with our dedication to environmental sustainability.
