

PolarChill PC2020 Refrigerator

Documentation

Introduction

Welcome to the PolarChill PC2020 Refrigerator, designed for modern living with cutting-edge technology and energy efficiency. With a sleek design and a suite of smart features, the PC2020 is your perfect kitchen companion.

Key Features

- **Energy Efficiency:** A++ rated for optimal energy savings.
- **Smart Connectivity:** Sync with PolarApp for monitoring and control from your smartphone.
- **Fast Freeze Function:** Ideal for quick freezing to preserve nutritional quality.
- **Adjustable Shelving:** Customize the interior space based on your needs.
- **Inverter Compatibility:** Suitable for use with most home inverter systems.

Specifications

- **Total Capacity:** 500 liters
- **Freezer Capacity:** 150 liters
- **Dimensions:** 180 cm x 70 cm x 68 cm
- **Power Consumption:** 280 kWh/year

Installation Instructions

1. **Unpacking:** Carefully remove all packaging materials.
2. **Placement:** Place the refrigerator on a flat, stable surface, leaving at least 10 cm of space around for airflow.
3. **Leveling:** Adjust the leveling legs to ensure the refrigerator is balanced.

4. **Connection:** Use the included power cord to connect to a suitable power outlet.

Usage Instructions

- **Temperature Settings:** Adjust the temperature using the digital control panel. Refrigerator range: 2-8°C; Freezer range: -18 to -24°C.
- **Smart Features:** Download PolarApp to connect your refrigerator via Bluetooth.
- **Fast Freeze:** Activate the fast freeze via the control panel or app for quick cooling.

Maintenance Tips

- **Cleaning:** Use a soft cloth and mild detergent to clean the interior and exterior. Avoid abrasive cleaners.
- **Defrosting:** The automatic defrost function activates periodically. Ensure drainage hole is clear.
- **Regular Checks:** Inspect the door seal for damage, and ensure the vents are not obstructed.

Troubleshooting

- **Not Cooling Properly:** Check temperature settings and ensure the power supply is connected.
- **Unusual Noise:** Refrigerator is level and not in contact with walls or cabinets.
- **Ice Build-Up:** Ensure the door is sealing properly and not left open for extended periods.

Warranty Information

The PolarChill PC2020 comes with a 1-year comprehensive warranty covering parts and labor, and a 5-year warranty on the compressor. Please keep your purchase receipt for future reference.
