

ProTasker Suite Documentation

Introduction

Welcome to ProTasker Suite, your ultimate productivity partner designed to streamline your tasks, enhance collaboration, and keep you organized. Whether you're a professional managing a team or a student organizing your schedule, ProTasker Suite offers a robust set of tools to boost your productivity.

Key Features

- **Task Management:** Create, edit, and track tasks with deadlines and priorities.
- **Document Editing:** Advanced text editor for creating professional documents.
- **Collaboration Tools:** Share tasks and projects with team members effortlessly.
- **Calendar Integration:** Sync with your favorite calendar apps.
- **Customization:** Personalize the interface and notifications to your needs.

Installation Guide

Windows Installation

1. Download the installer from our website.
2. Double-click the downloaded file.
3. Follow the on-screen instructions to complete the installation.
4. Launch ProTasker Suite from your desktop.

Mac Installation

1. Download the DMG file from our website.
2. Open the DMG file and drag ProTasker Suite into the Applications folder.
3. Launch ProTasker Suite from the Applications folder.

User Interface Overview

- **Dashboard:** Access to tasks, documents, and team activities.
- **Menu Bar:** Quick links to key features and settings.
- **Task Panel:** List of tasks with filter and sort options.

Feature Instructions

Creating Tasks

1. Open the Task Panel.
2. Click 'New Task'.
3. Enter task details, set deadlines, and assign to team members.
4. Save changes.

Editing Documents

1. Navigate to the 'Documents' section.
2. Click 'New Document' or select an existing one to edit.
3. Use the toolbar for text formatting and other editing tools.

Account Management

Creating an Account

1. Open the app and click 'Sign Up'.
2. Enter your email address and create a password.
3. Verify your email through the confirmation link sent to your inbox.

Updating Your Email

1. Go to 'Account Settings'.
2. Enter your new email address and confirm.
3. Check both old and new emails for confirmation messages.

Troubleshooting

Common Issues

- **Installation Error Code 101:** Ensure your system meets software requirements and is fully updated. If the issue persists, use the direct download link provided by support.
- **Software Crashing:** Update the software to the latest version available in the 'Updates' section.

Updates and Improvements Log

Recent Updates

- **Version 5.3:** Improved stability and performance enhancements.
- **Version 5.2:** New collaboration tools and task features.

FAQs

- **How can I reset my password?** Click 'Forgot Password' on the login screen and follow the instructions in the email.
- **What should I do if I'm overcharged?** Contact customer support to resolve billing issues promptly.
