

ProjectTrack User Guide

Introduction

Welcome to ProjectTrack, the leading project management tool designed for efficiency and collaboration. Whether you're managing a large team or a personal project, ProjectTrack provides the tools you need to plan effectively, delegate tasks, and track progress. Our platform is intuitive and robust, ideal for users who need to keep workflows streamlined and organized.

Getting Started

Setting Up Your Account

1. **Sign Up:** Go to the ProjectTrack website and click 'Sign Up.' Enter your details and confirm your email address.
2. **Verification:** Check your inbox for a verification email. Click the link to activate your account.
3. **Initial Configuration:** Log in and follow the setup wizard to configure your workspace settings, including timezone and notification preferences.

Core Features

Project Planning

- **Create a Project:** Navigate to the 'Projects' tab and select 'New Project.' Enter the project details and set deadlines.
- **Task Assignment:** Add tasks to your project and assign them to team members. Set priority levels and due dates.

Collaboration Tools

- **Team Chat:** Use the integrated chat feature to communicate with your team in real-time.
- **File Sharing:** Upload and share files within the project dashboard. Use version control to manage document changes.

Progress Tracking

- **Gantt Charts:** Visualize project timelines and dependencies.
- **Analytics Reports:** Generate reports on project progress and team performance.

Account Management

Updating Your Email Address

1. Go to 'Account Settings.'
2. Click 'Email' and enter the new address.
3. Confirm changes through the link sent to your updated email.

Resetting Your Password

1. On the login page, click 'Forgot Password?'
2. Enter your registered email and check your inbox for the reset link.
3. Set a new password following the link instructions.

Billing and Subscription

Understanding Your Invoice

- Access 'Billing' under 'Account Settings' to view invoices.
- Dispute charges by contacting support at billing@projecttrack.com.
- **Changing Plans:** Choose 'Subscription' to upgrade or downgrade your plan.

Troubleshooting

Login Issues

- **Forgot Password:** Use the reset process detailed in Account Management.
- **Expired Link:** Contact support for a new reset link if an email link expires.

Technical Difficulties

- Ensure your internet connection is stable.
- Clear browser cache if the application is not loading properly.

FAQs

Q1: How do I delete a project? A1: Go to the project dashboard, click 'Settings,' and select 'Delete Project.' Confirm deletion.

Q2: Can I integrate with other tools? A2: Yes, ProjectTrack supports integrations with various third-party apps like Slack and Google Drive.

Support and Resources
