Setup and Installation

Initial Setup

1. Unbox your ReadEase Pro 9 carefully.
2. Press and hold the power button until the screen lights up.
3. Follow the on-screen instructions to select your language.

Connecting to Wi-Fi

1. Open 'Settings' from the home screen.
2. Tap 'Wi-Fi', then choose your network from the list.
3. Enter your Wi-Fi password and tap 'Connect'.

Creating an Account

1. Tap 'Account' on the main menu.
2. Select 'Create an account' and complete the form with your details.
3. Verify your account through the email sent to your registered address.

Using the E-book Reader

Purchasing and Downloading E-books

1. Navigate to the 'Store' section.
2. Use the search bar to find your desired book.
3. Tap 'Buy' and confirm the purchase.
4. The book will automatically download to your 'Library'.

Organizing Your Library

- **Sort:** Use filters such as genre, author, or date added.
- **Create Collections:** Tap 'Collections' then select books to group them.

Reading Customization

- Adjust text size and font style via the 'Reading Settings'.
- Toggle night mode or set a custom brightness level.

Maintenance and Care

- **Cleaning:** Use a soft, slightly damp cloth to wipe the screen.
- **Charging:** Connect to a power source using the supplied USB cable.
- **Case Usage:** Employ a protective case to avoid scratches and impacts.

Troubleshooting

Common Issues

- **App Crashes:** Clear the app cache via 'Settings > Apps > Clear Cache'.
- **Connectivity Problems:** Restart your router and reconnect the device.
- **Delayed Orders:** Contact customer support with your order number for assistance.

Customer Support and Warranty Information

For any technical support requests, please contact our 24/7 customer service at support@readease.com or call 1-800-READ-EASE.

Warranty Coverage: The ReadEase Pro 9 comes with a one-year limited warranty covering manufacturing defects. Accidental damage is not covered.

Refer to the detailed sections above to ensure optimal use and enjoyment from your ReadEase Pro 9. Happy reading!
