

Serene Comfort Sectional Sofa

Product Overview

The Serene Comfort Sectional is designed with both style and adaptability in mind. This sectional is perfect for those who require flexibility, accommodating a variety of living spaces with its reversible configuration. Whether you prefer a left-facing or right-facing setup, this sofa adjusts to meet your needs.

Key Features

- **Reversible Configuration:** Customizable to fit left or right directions as per your room layout.
- **Dimensions:** 90 inches in length, 35 inches in depth, 32 inches in height.
- **Comfort Materials:** Equipped with plush memory foam cushions for superior comfort.
- **Built-in Technology:** Features an integrated USB port for charging devices.
- **Color Options:** Available in elegant gray, classic beige, and chic navy.
- **Weight Capacity:** Supports up to 800 pounds.

Assembly Instructions

1. **Unpacking:** Remove components from packaging and confirm all pieces using the included checklist.
2. **Assembling the Base:** Align the base sections and secure them with the provided bolts using the Allen wrench.
3. **Attaching Cushions:** Position the seat and back cushions over the base. Securely fasten the safety straps.
4. **Configuration:** Adjust the sectional to your preferred setup by switching the ottoman and connecting compartment.

Maintenance and Care

- **Fabric Care:** Use a vacuum with an upholstery attachment to clean fabric surfaces regularly.
- **Stain Removal:** For spills, blot immediately with a clean, dry cloth. Use only mild, water-based cleaning agents.
- **Frame Care:** Wipe wooden areas with a non-abrasive cloth; avoid chemical cleaners.

Troubleshooting

- **Shipping Delays:** Check shipping updates with your tracking number. If delays persist, contact our support team for assistance.
- **Configuration Issues:** If you encounter difficulties adjusting the sectional, refer to the assembly guide or watch our tutorial video using the QR code included with your manual.
- **Return Policies:** Returns are accepted within 30 days of delivery. If past this period, our support team may offer a store credit solution.
