

Introduction

Welcome to the ShopEase Mobile App, your gateway to a seamless shopping experience. ShopEase offers a wide range of products, intuitive browsing, and a secure checkout process, all from the convenience of your mobile device. Whether you're looking for daily essentials or exclusive sales, ShopEase has you covered.

Installation

Android

1. Open the Google Play Store on your device.
2. Search for 'ShopEase Mobile App'.
3. Tap 'Install' to download and install the app.
4. Once installed, tap 'Open' to launch the app.

iOS

1. Open the App Store on your iOS device.
2. Search for 'ShopEase Mobile App'.
3. Tap 'Get' to download and install the app.
4. Once installed, tap 'Open' to start using ShopEase.

Account Setup

1. Open the app and tap 'Sign Up'.
2. Enter your email address and create a password.
3. Confirm your email by clicking the verification link sent to your inbox.
4. Log in using your email and password.
5. Update your profile with additional details like shipping address and payment methods under 'Account'.

App Navigation

- **Home:** Browse featured products, current sales, and recommendations.
- **Categories:** Find products organized by type, brand, or theme.
- **Cart:** Review selected items, adjust quantities, and proceed to checkout.
- **Account:** Manage your account details, view order history, and access saved items.

Using the App

Searching for Products

1. Use the search bar on the Home screen to find specific items.
2. Filter results by price, popularity, or customer ratings using the filter icon.
3. Tap on a product to view details, including description, reviews, and available sizes or colors.

Adding to Cart and Checkout

1. Tap 'Add to Cart' on any product page to select quantities and variants.
2. Review your cart by tapping the 'Cart' icon.
3. Apply promo codes by entering them at checkout.
4. Select your preferred payment method and shipping address.
5. Tap 'Confirm' to complete your purchase.

Troubleshooting

App Crashes

- Ensure the app is updated to the latest version.
- Clear cache on Android via Settings > Apps > ShopEase > Clear Cache.
- On iOS, try uninstalling and reinstalling the app.

Updating Issues

- Check internet connectivity and space availability on your device.
- Restart your device if update issues persist.

FAQs

- **How do I reset my password?** Use the 'Forgot Password' link on the login page.
- **Can I track my orders?** Yes, order tracking is available under 'Order History' in your account.
- **How do I change my payment method?** Update payment details under 'Account' > 'Payment Methods'.

Contact Support

For further assistance, reach out to our support team: - **Live Chat:** Available in-app under 'Help & Support'. - **Email:** support@shopease.com.

Your seamless shopping experience begins with ShopEase. Happy shopping!
