Using ShopEase Pro

Managing Accounts

- **Password Resets:** Navigate to 'Account Settings'. Select 'Reset Password' and follow the prompts. If unsuccessful, check your spam or junk folder for reset emails.
- **Email Updates:** In 'Account Settings', go to 'Personal Information' to update your email. Verify the new email via the link sent to your inbox.

Managing Orders

- **Processing Orders:** From the 'Orders' dashboard, view and process incoming orders. Use filters to organize by status.
- **Shipping Options:** Access 'Shipping Settings' to configure carrier partnerships and set shipping rates.

Troubleshooting

Common Issues

- **Password Reset Issues:** Ensure emails are not suppressed by spam filters. Retry if the 'link expired' error appears and verify email accuracy.
- **Email Update Problems:** If the new email shows as 'already in use', ensure it's not linked to another ShopEase Pro account or contact support for manual update.

FAQs

- **How do I customize my store?** Use the 'Design Editor' under 'Store Appearance' to change themes, layouts, and color schemes.
- **Can I integrate third-party apps?** Yes, visit 'App Marketplace' for a range of compatible third-party solutions.
