

SkyBox Cloud Storage Documentation

Introduction

Welcome to SkyBox Cloud Storage, your reliable solution for all file storage and management needs in the digital age. With SkyBox, effortlessly store, share, and access your files from anywhere at any time. Our service offers robust security, seamless integrations, and user-friendly interfaces suited for both personal and professional use.

Getting Started

Creating an Account

1. Visit the SkyBox homepage and click 'Sign Up'.
2. Enter your email address and create a password.
3. Accept the terms of service and privacy policy.
4. Click 'Create Account' and verify your email using the link provided.

Logging In

1. Go to the SkyBox login page.
2. Enter your registered email and password.
3. Click 'Log In'.

Navigating the Interface

- **Dashboard:** Your central hub showcasing recent activities and storage usage.
- **File Manager:** Allows you to organize and manage your files.

Account Management

Updating Account Information

- **Email Address:** Go to 'Account Settings' > 'Email' > Edit and save changes.

- **Password:** Navigate to 'Security Settings' > 'Change Password'. Enter your current password, followed by a new one.

Subscription Management

- Check and modify your plan under 'Billing' > 'Manage Subscription'.

Accessing Support

- Use the 'Help' icon to start a chat or view support resources.

File Management

Uploading Files

1. Click 'Upload' on the File Manager page.
2. Select files from your device and click 'Open'.

Downloading Files

1. Right-click the desired file and choose 'Download'.

Organizing Files

- Create folders by selecting 'New Folder' in the File Manager.
- Drag and drop files to rearrange them.

Sharing Files

- Click 'Share' on the selected file, enter recipient's email, and set permissions.

Security Features

Data Encryption

- All files are encrypted using AES-256 encryption in transit and at rest.

Privacy Settings

- Adjust visibility and access settings in 'Privacy Settings'.

Two-Factor Authentication

- Enable 2FA via 'Security Settings' > 'Enable 2FA'. Follow on-screen instructions to link your mobile device.

Troubleshooting

Password Reset

1. Click 'Forgot Password?' on the login page.
2. Enter your email and follow the link sent to your inbox.

Account Access Issues

- Ensure your internet connection is stable.
- Check if your email and password are correctly entered.
- Contact support for persistent issues.

File Recovery

- Navigate to 'Recycle Bin' to restore deleted files within 30 days.
