1. Introduction

The SkyFly EasyBook System is an intuitive flight booking platform designed to simplify the process of booking airline travel. Whether you're a frequent flyer or planning a one-off trip, our system provides a comprehensive range of services to manage your travel needs efficiently.

2. Getting Started

- **User Account Setup:** To begin using SkyFly EasyBook, create an account by navigating to our registration page. Enter the required personal details and set a secure password.
- **Navigating the Dashboard:** Once logged in, the user dashboard provides quick access to upcoming trips, recently searched flights, and personalized travel offers.

3. Making a Reservation

- **Searching for Flights:** Use the flight search function to enter travel details such as destination, dates, and passenger information. The system displays available flights, sortable by price, duration, and airline.

- **Booking a Flight:** Select your preferred flight and follow the on-screen instructions to enter passenger details and confirm your reservation. An itinerary will be emailed for your records.

4. Updating and Managing Bookings

- **Modifying Reservations:** Access the 'My Trips' section to review and alter current bookings. Changes to dates or passenger information can be processed pending availability and fare type.

5. Handling Payments

- **Accepted Payment Methods:** SkyFly EasyBook accepts major credit cards, debit cards, and alternative payments such as PayPal.
- **Securing Payments:** Our system employs robust encryption to secure transactions. If issues like card declines occur, ensure your payment method details are correct and valid.

6. Cancellations and Refunds

- **Cancellation Policies:** Review our varied cancellation policies based on the ticket type. Cancellations within 24 hours might be eligible for full refunds.
- **Processing Refunds:** To cancel a reservation, navigate to 'My Trips' and select 'Cancel Booking.' Refunds will be processed according to policy terms.

7. Common Issues and Troubleshooting

- **Duplicate Charges:** If you notice duplicate charges, contact customer support with your booking reference to initiate a refund.
- **Technical Difficulties:** For issues like browser incompatibility or system errors, clear your browser cache or try an alternative browser.

8. Customer Support and Additional Resources

- **Contact Methods:** Reach our support team via phone, email, or live chat.
- **Feedback and Improvements:** We welcome user feedback to enhance our service. Access the feedback form via your user dashboard.
