

SmartSub Manager Product Documentation

Overview

SmartSub Manager is an intuitive subscription management software designed to streamline billing, account management, and service delivery for users and businesses. By consolidating all subscription-related needs into a simple dashboard, SmartSub Manager ensures efficient and hassle-free management of your subscriptions.

Key Features

- **Unified Dashboard:** Manage all your subscriptions from one place.
 - **Automated Billing:** Schedule and automate your subscription payments.
 - **Real-Time Notifications:** Receive alerts and updates about your subscriptions instantly.
 - **Detailed Analytics:** Understand your spending habits and predict future costs.
 - **Customizable Plans:** Adjust subscription plans with ease.
-

Getting Started

1. **Account Creation:**
2. Visit [SmartSub Manager's website](#).
3. Click on 'Get Started' and enter your email and password.
4. Verify your email through the link sent to your inbox.
5. **Dashboard Overview:**
6. After logging in, familiarize yourself with the dashboard.
7. Access various modules such as 'My Subscriptions', 'Billing', and 'Notifications'.
8. **Adding Subscriptions:**

9. Navigate to 'Add Subscription'.
 10. Enter the subscription details like provider, cost, and billing cycle.
 11. Click 'Save' to add it to your dashboard.
-
