

SmartX Pro - User Guide

Introduction

Welcome to the world of SmartX Pro, your ultimate companion for health tracking, notifications, lifestyle management, and more. Designed for performance and style, the SmartX Pro blends cutting-edge technology with everyday practicality.

What's in the Box?

- SmartX Pro Smartwatch
- Magnetic Charger
- Quick Start Guide
- Warranty Card

Initial Setup

Charging Your SmartX Pro

1. Unbox your SmartX Pro and attach the magnetic charger to the back of the watch.
2. Plug the charger into a USB power adapter.
3. Charge the device until the battery icon shows 100%.

Pairing with Your Phone

1. Download the SmartX App from the App Store or Google Play.
2. Enable Bluetooth on your smartphone.
3. Open the SmartX App, create an account, or log in.
4. Follow the on-screen instructions to pair your devices.

Software Installation

1. Navigate to 'Settings' on the watch.
2. Select 'Software Update' to ensure the latest version is installed.

Daily Usage

Fitness Tracking

- **Steps & Calories:** Automatically tracks your steps and calories burned.
- **Heart Rate Monitoring:** Real-time monitoring available through the SmartX App.
- **Sleep Tracking:** Monitors sleep cycles, including REM cycles, for a comprehensive report.

Notifications & Calls

- **Enable Notifications:** Customize notifications through the SmartX App.
- **Receiving Calls:** Use the 'Call' feature on the watch to answer directly.

Feature Exploration

- **GPS Tracking:** Activate GPS during workouts for accurate distance tracking.
- **Water Resistance:** Rated water-resistant up to 50 meters; suitable for swimming.

Troubleshooting

Bluetooth Connectivity Issues

1. Ensure Bluetooth is enabled on both devices.
2. Restart the watch and phone.
3. In the SmartX App, go to 'Devices' and select 'Forget Device', then re-pair.

App Crashes

1. Check if the app is updated to the latest version.
2. Uninstall and reinstall the app if necessary.

Device Won't Turn On

1. Press and hold the power button for 20 seconds for a reset.
2. Ensure the device is charged for at least 30 minutes.

FAQs

1. What is the battery life?

2. Up to 48 hours with regular usage.

3. Can it track swimming workouts?

4. Yes, it can, due to its water-resistance.

5. How to increase battery life?

6. Disable continuous GPS and heart rate monitoring when not needed.

Support and Warranty

- For further support, visit our website or contact customer service.
- The SmartX Pro comes with a one-year warranty covering manufacturing defects.
