- **Battery Life:** Up to 12 hours of continuous play
- **Charging Time:** Approximately 3 hours
- **Audio Output:** 20 Watts
- **Frequency Range:** 60Hz - 20kHz
- **Water Resistance:** IPX7
- **Dimensions:** 8 x 3 x 3 inches
- **Weight:** 1.5 lbs

Setup and Installation

Step 1: Unbox the SoundBlitz Pro, ensuring you have all components: the speaker, charging cable, and user manual.

Step 2: Charge the speaker using the provided USB-C cable until the LED turns green.

Step 3: Power on the device by pressing the power button for 3 seconds. An LED indicator will flash blue, signaling Bluetooth pairing mode.

Step 4: On your smartphone or device, enable Bluetooth and search for new devices. Select 'SoundBlitz Pro' to pair.

Step 5: Upon successful pairing, the LED will emit a steady blue light.

Usage Instructions

- **Play/Pause:** Short press the power button.
- **Volume Control:** Use the '+' and '-' buttons.
- **Skip Tracks:** Double press the '+' button for next, '-' button for previous.
- **Activate Voice Assistant:** Press the 'VA' button.

Troubleshooting

Problem: Speaker won't connect to your device. - **Solution:** Ensure Bluetooth is enabled on your device. If issues persist, reset the speaker by holding the power and volume '+' button simultaneously for 5 seconds.

Problem: Sound distortion at high volumes. - **Solution:** Reduce the volume on both the speaker and your device.

Maintenance

- Keep your speaker dry and clean using a soft cloth.
- Avoid exposure to extreme heat.
- Charge the battery regularly to maintain optimal performance.

Warranty and Support

Your SoundBlitz Pro comes with a 1-year limited warranty covering defects in materials and workmanship. For support, contact us at support@brownbox.com or call 1-800-555-0199.

Safety Guidelines

- Do not submerge in water despite IPX7 rating.
- Keep away from fire or high heat sources.
- Do not open or modify the speaker.

Frequently Asked Questions (FAQs)

Q: Can I pair the SoundBlitz Pro with multiple devices? A: Yes, the SoundBlitz Pro supports multipoint technology, allowing connection to two devices simultaneously.

Q: How do I reset the speaker? A: To reset, hold the power and volume '+' button until the LED flashes.

By adhering to these guidelines, you will ensure a long-lasting and enjoyable experience with your SoundBlitz Pro Bluetooth speaker. Thank you for choosing our product for your audio needs!
