Introduction

Welcome to the SoundPro Elite Wireless Earbuds! Designed to deliver unparalleled sound quality and convenience, the SoundPro Elite offers seamless connectivity with a sleek, ergonomic design for daily use. This guide will walk you through getting the most out of your earbuds, the key features, and troubleshooting any issues you might encounter.

Product Features

- **Battery Life:** Up to 10 hours of playtime on a single charge, with an additional 30 hours from the charging case.
- **Bluetooth Version:** Bluetooth 5.2 for quick and stable connectivity.
- **Noise Cancellation:** Active noise cancellation for an immersive listening experience.

- **Smart Touch Controls:** Easily adjust volume, take calls, or activate your voice assistant.
- **Water and Sweat Resistance:** IPX5-rated to withstand sweat and rain.

Product Specifications

- **Driver Size:** 10mm dynamic drivers
- **Frequency Response:** 20Hz – 20kHz
- **Charging Time:** 1.5 hours for earbuds, 2 hours for the case
- **Weight:** 5 grams per earbud, 50 grams with the case

Setup Instructions

1. **Charging:** Charge the case using the USB-C cable. Ensure the earbuds are placed inside the case and are fully charged.
2. **Pairing:**
3. Open the charging case lid. The earbuds will automatically enter pairing mode.
4. Enable Bluetooth on your device and search for “SoundPro Elite.”
5. Select and connect to the earbuds.
6. **Fitment:** Choose the right size ear tips for a comfortable and secure fit.

Daily Usage Guidelines

- **Touch Controls:**
- Single tap to play/pause.
- Double tap on the right earbud to skip forward, and on the left to skip back.
- Triple tap to activate the voice assistant.
- **Battery Management:** Voice prompts will alert you to low battery. Use the case to recharge the earbuds when not in use.

- **Multipoint Connection:** Connect your earbuds to two devices simultaneously. Enter pairing mode from the second device and select “SoundPro Elite”.

Troubleshooting Tips

- **Connectivity Issues:**
 - Ensure the earbuds are in pairing mode and close to the device.
 - Reset by placing them in the case, closing the lid, and pressing the reset button for 5 seconds.
- **Sound Imbalance:**
 - Adjust balance settings on your device, or ensure earwax isn’t obstructing the sound path.
- **Charging Problems:**
 - Clean charging contacts and ensure the case lights up when plugged in.

Maintenance & Care

- **Cleaning:** Use a soft cloth and a gentle cleaner for the exterior. Remove ear tips and clean with warm soapy water.
- **Storage:** Store in the charging case when not in use. Avoid extreme temperatures.
