Getting Started

Charging the Headphones

1. Connect the provided USB-C cable to the charging port on the headphones.
2. Plug the other end into a USB power source.

3. Charge until the LED indicator shows a solid green light.

Pairing with a Device

1. Ensure the headphones are off.
2. Press and hold the power button until the LED flashes blue and red.
3. On your device, enable Bluetooth and find 'SoundWave Pro 500' in the list.
4. Select it to pair.

Using the Headphones

Noise-Canceling Feature

- Press the ANC button on the right earcup to toggle noise-canceling modes.
- Green indicator: Noise-canceling ON.
- No light: Noise-canceling OFF.

Volume and Playback Controls

- Use the buttons on the right earcup:
- Volume Up/Down buttons to adjust the volume.
- Multifunction button to play/pause or answer/end calls.

Call Functions

- Double-tap the multifunction button to redial the last number.

Troubleshooting Guide

If the Headphones Won't Pair

- Ensure they are in pairing mode by checking the LED status.
- Restart both your device and headphones.
- Clear paired devices in your Bluetooth settings and try reconnecting.

Poor Sound Quality

- Ensure the headphones are within range of the device.
- Check for interference from other devices.

Maintenance and Care

- Clean the headphones with a soft, dry cloth.
- Avoid using chemical cleaners.
- Store in the provided case when not in use.

Customer Support

For further assistance, please contact SoundWave Support at support@soundwave.com or call 1-800-555-0199. For warranty information, refer to the warranty card included in the box.

The SoundWave Pro 500 combines superior sound quality with user-friendly features, making it a top choice for anyone seeking an exceptional audio experience. Whether on a daily commute or relaxing at home, these headphones provide the perfect blend of comfort, style, and technology.
