

SoundWave Product Documentation

Product Overview

SoundWave is a state-of-the-art music streaming service designed to bring your favorite tunes to your fingertips. With an extensive library of music, seamless integration across devices, and personalized recommendations, SoundWave is your ultimate music companion.

Getting Started

1. **Sign Up:** Visit our website or download the SoundWave app to create an account. Provide your email, set up a password, and choose a subscription plan.
2. **Set Up Your Profile:** Customize your user profile by adding your favorite genres and artists to get personalized recommendations.
3. **Explore:** Start exploring our extensive music library and create your first playlist!

Subscription Plans

- **Free Plan:** Access ad-supported music with limited skips.
- **Premium Plan:** Enjoy ad-free music with unlimited skips and offline downloads. \$9.99/month.
- **Family Plan:** Share all premium features with up to 6 family members. \$14.99/month.

Switching Plans: Navigate to 'Settings' > 'Subscription' and choose your desired plan. Changes take effect immediately.

Features

- **Playlists:** Create and share playlists. Follow playlists curated by our music experts.
- **Offline Listening:** Download your favorite tracks for offline listening.

- **Device Compatibility:** Available on iOS, Android, Windows, macOS, and web platforms.
- **Personalized Recommendations:** Discover new music with our AI-driven recommendation engine.

Account Management

- **Profile:** Update your profile information by going to 'Account Settings'.
- **Payment Information:** Manage your billing details under 'Payment Settings'.
- **Notifications:** Customize alerts for new releases and more under 'Notification Settings'.

Troubleshooting

- **Billing Issues:** If you notice an incorrect charge, visit our 'Help Center' or contact support. Refunds processed within 5-7 business days.
- **Streaming Problems:** Ensure a stable internet connection. Clear cache if issues persist.

FAQs

- **How do I cancel my subscription?** Navigate to 'Settings' > 'Subscription' > 'Cancel Subscription'. Your plan will remain active until the end of the billing cycle.
- **Can I listen offline?** Yes, with the Premium Plan, you can download music for offline listening.

Customer Support

Need help? Reach out to our customer support team 24/7 through our in-app chat or email us at support@soundwave.com. Typical response times are within 24 hours.
