

StarNet Ultra Plan Documentation

Introduction:

Welcome to the StarNet family! The StarNet Ultra Plan is designed for power users who crave top-notch internet speeds and generous data limits. Whether you're streaming, gaming, or working from home, the StarNet Ultra provides a seamless internet experience.

Subscription Plans:

- **Ultra Basic:** Offers 100 Mbps speeds with a 500GB monthly data cap.
- **Ultra Pro:** Delivers speeds up to 300 Mbps and 1TB of data.
- **Ultra Max:** Access lightning-fast 500 Mbps with unlimited data.

Billing Information:

- **Billing Cycle:** Monthly billing starts on the activation day.
- **Payment Methods:** Accepts credit/debit cards, online banking, and automated transfers.
- **Invoice Details:** Itemized bill available through the user portal.

Usage Details:

Customers can monitor real-time data usage via our mobile app or website. Notifications are sent when usage reaches 80% of the data cap.

Additional Services:

- **Speed Boost:** Temporary speed upgrade available for a one-time fee.
- **Data Top-Up:** Additional 100GB for \$10, purchasable via our customer portal.

Troubleshooting and Support:

- **Billing Discrepancies:** Verify any unexpected charges through the "Billing History" section in your account. For unresolved issues, contact customer support.
- **Slow Internet Speeds:** Restart your router and check for background devices consuming bandwidth. If the problem persists, contact technical support.

FAQs:

- **What happens when I exceed my data cap?** Customers on capped plans will incur a data overage fee of \$15 per 50GB exceeded.
- **How can I upgrade my plan?** Call our support line or use the "Upgrade Plan" feature in your account settings.

Common Issues:

- **Double Billing:** If you've been double-charged, please contact our billing department to process a refund.
- **Unrecognized Charges:** These often result from additional services like top-ups or late fees. Review your detailed bill statement via the portal.

Contact Information:

- **Customer Support:** Available 24/7 via phone at 1-800-000-STARNET or email at support@starnet.com.
- **Live Chat:** Access live support from our website for quick resolutions.
