8. Bring a valid ID and proof of address.
9. Select plans and make the payment in-store.
10. Receive setup assistance from a customer service representative.

Usage Guidelines

- Monitor your data through the StarNet Self-Service Portal.
- To avoid data overage, use tools that compress data and track usage.
- Adjust video streaming quality to medium settings to save bandwidth.

Troubleshooting Common Issues

- **Incorrect Billing:** Verify any additional charges like late fees or overage. Contact support if discrepancies persist.
- **Duplicate Charges:** Check if auto-pay settings were modified. Initiate a refund request via our billing center.
- **Data Limit Exceeded:** Upgrade to a higher plan if monthly data usage is consistently over the limit.

Customer Support

- **Live Chat:** Available through our website, Monday - Friday, 9 AM to 6 PM.
- **Phone Support:** Call 1-800-STARNET (1-800-782-7638).
- **Email:** support@starnet.com.
- **Support Ticket Portal:** Accessible through your account dashboard.

Frequently Asked Questions

- **How can I report a service outage?** Contact our support line or check our system dashboard for known issues.
- **Can I change my plan mid-cycle?** Yes, changes are prorated and reflected in your next billing cycle.

- **How is overage calculated?** Any data used beyond your plan limit is automatically charged at \$10 per additional 50 GB.

Terms and Conditions

- **Service Agreement:** Terms regarding billing, service provision, and customer responsibilities are available on our website.
- **Privacy Policy:** We respect your privacy and do not share your information without consent.
- **Data Usage Policy:** Please refer to our Acceptable Use Policy for appropriate use of services.

We are excited to provide you with UltraConnect 150 and are committed to offering the best internet experience. For personalized advice and assistance, our customer service team is always ready to help.
