

Stream360 User Guide

Introduction

Welcome to Stream360, your gateway to limitless entertainment at your fingertips. This guide will walk you through the features, setup, and troubleshooting of your Stream360 experience.

Features and Services

Stream360 offers a plethora of features to enhance your viewing experience: - **Subscription Tiers:** Choose from Basic, Standard, and Premium plans to fit your needs. - **Content Library:** Access thousands of movies, TV shows, and documentaries. - **Device Compatibility:** Stream on TVs, tablets, smartphones, and desktops. - **Personal Profiles:** Create up to five individual profiles with personalized recommendations. - **Parental Controls:** Manage what your children can watch with easy-to-use parental settings.

Getting Started

Sign-Up Process

1. Visit our [website](#).
2. Click on 'Sign Up' and select your subscription plan.
3. Enter your email and create a password.
4. Provide payment details—options include credit cards, PayPal, and more.
5. Confirm your email address to activate your account.

Managing Your Account

- **Profile Management:** Navigate to 'Account Settings' to add or modify profiles.
- **Password Reset:** Click 'Forgot Password' on the login page and follow the instructions.

Billing and Payment

Accepted Payment Methods

Stream360 accepts major credit cards, PayPal, and certain digital wallets.

Updating Payment Information

1. Log into your account.
2. Go to 'Billing Section'.
3. Update your payment details and save changes.

Handling Double Charges

If you notice a duplicate charge: 1. Contact our Billing Support at support@stream360.com. 2. Provide your account email and payment reference number. 3. A refund will be initiated within 3-5 business days.

Troubleshooting and Support

Common Issues

- **Login Problems:** Ensure your username and password are correct. Reset your password if needed.
- **Playback Issues:** Clear cache or use a different browser. Check internet connection stability.
- **Payment Failures:** Verify card details and ensure sufficient funds.

Customer Support

- Email: support@stream360.com
- Phone: 1-800-STREAM360
- Live Chat: Available on our website 24/7

FAQs

- **How do I cancel my subscription?** Go to 'Account Settings' > 'Subscription' > 'Cancel Subscription'.
- **Can I switch plans mid-subscription?** Yes, upgrades and downgrades can be done in the 'Subscription' section.
- **What is the refund policy?** Refunds for billing errors are processed within 3-5 business days.

Security and Privacy

Data Protection

Your privacy is essential to us. Stream360 employs the latest encryption technology to protect your personal information.

Account Safety Tips

- Use a unique, strong password.
- Regularly update your account credentials.

Appendices

Glossary of Streaming Terms

- **Buffering:** Temporary storage for streaming content.
- **Bandwidth:** Rate of data transfer through an internet connection.
