

Introduction

Welcome to StreamFlow, a cutting-edge streaming platform designed to deliver an unparalleled viewing experience. With StreamFlow, access a diverse library of films, TV shows, documentaries, and more, all tailored to your preferences. Whether you're at home or on the go, StreamFlow provides seamless entertainment.

Key Features

- **Customizable Profiles:** Create up to five profiles under one account. Personalize each profile with avatars and watchlists.
- **Subscription Plans:** Choose from a variety of plans, including standard monthly options or annual subscriptions for a seamless viewing experience.
- **Offline Viewing:** Download select content to watch offline, perfect for traveling or remote locations without internet access.
- **Parental Controls:** Manage what your children can watch by setting content restrictions on their profiles.
- **Multi-Device Compatibility:** Stream on smartphones, tablets, smart TVs, and gaming consoles.

Getting Started

Creating an Account

1. Visit the StreamFlow website or download the app from your device's app store.
2. Click 'Sign Up' and enter your email address and a secure password.
3. Verify your email through the link sent to your inbox.
4. Choose your desired subscription plan.
5. Complete the payment process. Congratulations, your account is now active!

Account Management

Updating Personal Information

1. Log in to your StreamFlow account.
2. Navigate to the 'Account Settings' section.
3. Click 'Edit' next to the information you wish to update, such as name or email.
4. Make the necessary changes and click 'Save.'

Billing and Subscription Management

Viewing and Modifying Your Plan

1. Access the 'Subscription' tab in your account settings.
2. Review your current plan details.
3. To change your plan, choose 'Modify Plan,' select a new option, and confirm.

Handling Billing Discrepancies

1. Review your recent billing history in the 'Billing' section.
2. If discrepancies are found, contact StreamFlow support via live chat or email.
3. Provide any required information, such as transaction IDs, to expedite resolution.

Troubleshooting

Resetting Your Password

1. On the login page, click 'Forgot Password?'
2. Enter your registered email address.
3. Open the password reset link sent to your email and follow the instructions.

Resolving Playback Issues

- Ensure your device is connected to the internet.
- Restart the StreamFlow app or webpage.
- Clear cache and cookies if using a browser.
- Update the app to the latest version.
- Contact support if the issue persists.

Frequently Asked Questions

- **How can I cancel my subscription?** Navigate to 'Subscription' settings and select 'Cancel Subscription.' Follow the prompts to confirm.
- **How do I download content for offline viewing?** Open the title's details and click the 'Download' button. Access downloads in the 'My Downloads' section.
