

StreamHive is a premium streaming platform that delivers a diverse selection of content straight to your favorite devices. Explore movies, TV shows, documentaries, and exclusive originals with ease.

Overview

StreamHive is designed to provide seamless access to entertainment, with various subscription plans tailored to your viewing habits. Experience ad-free streaming, offline downloads, and personalized recommendations.

Getting Started

1. **Sign Up:** Visit www.streamhive.com to create your account.
2. **Choose a Plan:** Select from Basic, Standard, or Premium plans based on your needs.
3. **Create Profiles:** Set up to 5 individual user profiles with personalized watchlists.

Using the Platform

- **Browse Content:** Navigate through genres via the homepage or search bar.
- **Create Playlists:** Curate your entertainment by adding favorite titles to 'My List'.
- **Set Preferences:** Customize settings such as language and subtitle options.

Account Management

- **Update Payment Information:** Log in, click on 'Settings', go to 'Billing', and select 'Update Payment Method'. Use different browsers if the option doesn't appear.
- **Manage Profiles:** Edit or remove profiles under 'Account Settings'.
- **Configure Privacy:** Adjust privacy settings to control viewing history and communications.

Billing Information

- **Viewing Charges:** Access the 'Billing History' under your account to see charges.
- **Handling Errors:** For billing discrepancies, contact support at billing@streamhive.com.
- **Refunds:** Authorized refunds typically process within 3-5 business days.

Troubleshooting

- **Streaming Issues:** Ensure your app is updated, check your internet connection, and restart your device.
- **Login Problems:** Use the 'Forgot Password' feature and reset via the sent email.
- **Playback Errors:** Clear cache on your streaming device and restart the app.

FAQs

- **How to cancel my subscription?** Navigate to 'Account Settings' and click 'Cancel Subscription'.
- **Can I change my plan later?** Yes, under 'Billing', select 'Change Plan'.
- **How to enable parental controls?** Go to 'Account Settings', select the profile, and activate parental controls.

Support Information
