-

Creating and Managing Your Account

Creating an Account

1. Visit the StreamHorizon website or download the app from your device's store.
2. Click on the 'Sign Up' button.
3. Enter your email address, create a password, and fill out the necessary fields.
4. Verify your email address by clicking on the link sent to your inbox.

Logging In

1. Enter your registered email and password in the login fields.
2. Click 'Log In'. If successful, you'll be redirected to your homepage.

Resetting Your Password

1. Click 'Forgot Password?' on the login page.
2. Enter your registered email.
3. Check your inbox for the password reset email.
4. Follow the link to create a new password.

Managing Account Information

- Navigate to 'Account Settings' to update personal details, change your password, or manage privacy settings.
-

Subscription Plans and Billing

Choosing a Plan

StreamHorizon offers tiered subscription plans: - **Basic**: Access on one screen at a time. - **Standard**: Two screens simultaneously with HD streaming. - **Premium**: Four screens at a time in Ultra HD.

Billing and Payment

- View and manage your billing information in the 'Billing Details' section of your account.
- Apply promo codes during checkout for discounts on select plans.

Managing Renewals

- To avoid unexpected charges, you can enable or disable auto-renewal in 'Subscription Settings'.

- Cancel at any time, with service remaining active until the end of the billing cycle.
-

Troubleshooting Common Issues

Login Issues

- Ensure your email and password are entered correctly.
- Clear browser cache if login continues to fail.

Billing Discrepancies

- Review transactions in the 'Billing History'.
- Contact support for unauthorized charges.

Streaming Problems

- Check internet connection quality.
 - Restart the device or app if content fails to load.
-

Accessing Content

Browsing the Library

- Use the search function to find specific titles.
- Explore curated categories and personalized suggestions.

Streaming on Various Devices

- Supported devices include iOS, Android, smart TVs, and web browsers.
 - Detailed instructions for each device type are available in the 'Help' section.
-

Customer Support

Contacting Support

- Access live chat, email, or phone support from the app or website.
- Have your account email and subscription ID ready for quicker assistance.

Support Hours

- Support is available 24/7.
-

Frequently Asked Questions (FAQs)

What should I do if I can't access my account?

- Attempt a password reset and ensure you are using the correct email address.

How do I change my subscription plan?

- Navigate to 'Subscription Settings' and select 'Change Plan'.

How can I report a billing issue?

- Use the 'Contact Support' feature and provide details of the issue for resolution.

Thank you for choosing StreamHorizon. We hope you enjoy your streaming experience!
